199—201 Union Street—Opera House Block

INFLUENZA WAS NOT UNKNOWN IN ANCIENT TIMES

Disease Now Sweeping Over Two American Continents Very Old One—How To Avoid It and How To Handle It.

Ottawa, Oct. 18.—Influenza, which is now sweeping over Canada from one end to the other, is a very old disease. It was known in ancient times, and as early as 1610 it overran the whole civilized world. For centuries it has periodically swept over various parts of the world. The last great world epidemic was in 1889-1890 when it was generally known by the French name of la grippe. The disease has always travelled from east to west.

The symptoms are similar to those of a heavy cold; more or less severe headache, cold in the head and throat, fits of sneezing, flushed face, chills, aches and pains in the back and limbs, the eyes, general physical depression, and temperature rising to between 101 and 104 degrees.

As it is such an old disease, doctors have naturally learned a great deal about its prevention and treatment. The first principle of prevention is to keep away from those infected, and the second, to build up the germ-resisting parts of the body by eating nourishing foods, dressing comfortably, getting lots of sleep, and by living in the open air and in bright, well-ventilated rooms as much as possible. The mouth, throat and nose should be systematically and frequently disinfected by antiseptic inhalations, sprays and washes. Such preparations as chloroform and listerine are well adapted for this purpose.

Quinine Useful. In fighting the epidemic, doctors found quinine a useful preventive. One grain of sulphate of quinine mixed with (but not dissolved in) a wineglassful of cold water makes an excellent antiseptic gargle. The antiseptic properties of quinine are well known and its use as described above at once relieves the symptoms of sore throat, which result from the strain of the fight between the white blood corpuscles and invading germs in the tonsils—the body's first line of defence. Quinine is also given internally with success as a preventive.

BEECHAM'S PILLS

Good blood makes firm tissue, strong nerves, steady eyes and clear brain. Keep your blood pure and full of healthy, red corpuscles, and your liver active, by using Beecham's Pills, which remove poisonous matters from the system, assist the stomach to assimilate its food, and the food to nourish the body. A world-famous remedy to strengthen the vital organs and help to

Make Pure Blood

Worth a Guinea a Box
Prepared only by Thomas Beecham, St. Helens, Lancashire, England.
Sold everywhere in Canada and U.S. America. In boxes, 25 cents.

Pocket Compass
Match Box
Silver or Gold Pencil Case

Also Many Other Appropriate Articles.

FERGUSON & PAGE — 41 KING STREET

How To Send Them and What It Costs

It is absolutely necessary that all parcels should be very carefully and securely packed. The following forms are recommended by the post office department: (1) Strong double cardboard boxes, preferably those made of corrugated cardboard having lids which completely enclose the sides of the boxes. (2) Strong wooden or tin boxes. (3) Several folds of stout packing paper. Additional security may be had by the use of strong linen, calico, canvas or other textile securely sewn up. Address should be clearly written in ink on cover preferably in two places, also name and address of sender should be clearly written in ink on parcel. Parcels which do not comply with this condition will be refused—the contents of the parcel should be stated on the cover. Additional information could be secured from the post office.

The cost by parcel post is as follows:—For troops known to be in the United Kingdom, 12c. per pound or fraction thereof. Limit of weight is 11 pounds. Parcels for troops in France or Flanders: Parcels weighing up to 3 pounds, 24c.; parcels weighing more than 3 pounds and not more than 7, 32c. Limit of weight is 7 pounds.

Parcels for the Mediterranean and Salonika Expeditionary Forces are subject to the following rates: 1 lb., 32c.; 2 lbs., 40c.; 3 lbs., 48c.; 4 lbs., 74c.; 5 lbs., 82c.; 6 lbs., 90c.; 7 lbs., 98c. The limit of weight in this case is 7 pounds.

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ash, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, are those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking.

A quarter pound of limestone phosphate costs a little at the drug store but is sufficient to demonstrate that just as soap and hot water cleans, purifies and freshens the skin on the outside, hot water and limestone phosphate act on the inside organs.

WEDDINGS.

Shirley-Wadman.

A pretty wedding took place at the residence of Mr. and Mrs. O. B. Wadman, Cranford, P. E. Island, on Wednesday, at 4 p.m., when their only daughter, Shirley, was united in marriage to Mr. John S. Shirley, of Boston, Mass., eldest son of Mr. Thos. Shirley of Sydney, N.S. The ceremony was performed by Rev. P. A. Fitzpatrick, pastor of the Cranford Methodist church, in the presence of the relatives and friends of the contracting parties. The bride, who was given away by her father, was dressed in a travelling suit with black hat and sable fur, and carried a beautiful bouquet of pale pink and cream roses. Immediately after luncheon the happy couple left for Charlottetown in Mr. F. R. Newsum's car. Numerous beautiful and substantial gifts were received, including a number of cheques, among which was one from the bride's uncle, Rev. J. W. Wadman, D.D., in far-off Hawaii. The bride was very well known throughout the province, a graduate of Prince of Wales College, and after teaching school for a few years, resigned to take charge of her father's business at Cranford, on his becoming an invalid, and has hosts of friends who are extending to her their best wishes for her future happiness. The groom is a popular newspaper man having worked for various newspapers throughout

the United States and is now connected with the Boston Globe. Mr. and Mrs. Shirley will visit friends on the island for a few days, after which they will leave for their future home in Boston. The bride is a niece of Rev. (Dr.) Wadman, at one time stationed in Carleton, St. John, and has many friends in the city.

Chasse-Quellette. Cards have been received from Mrs. Peter St. Louis, announcing the marriage of her sister, Marie Lucie Quellette, of Old Town to Ledit D. Chasse, of Edmundston, which took place Thursday in St. Joseph's Cathedral, Montreal. They will reside in Edmundston.

Cummings-Grant. A quiet wedding was celebrated at Trinity church, Canterbury, N.S., on Oct. 16th, when the rector, Rev. E. Flowering united in marriage Miss Gladys E. Grant and Sergt. Andrew B. Cummings. They were attended by Miss Belle Cummings, sister of the groom, and Pte. H. Nelson Grant, brother of the bride. Immediately after the ceremony a delicious supper was served at the home of the bride, at which the happy couple left for the Recreation Cottage, Shiff Lake, amidst a shower of confetti and the good wishes of their many friends.

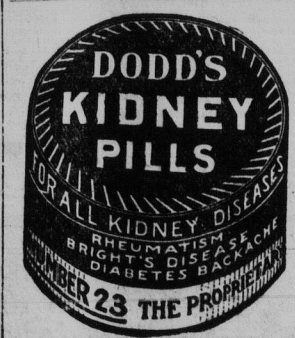

CASUALTIES.

Ottawa, Oct. 18.—Casualties:

Infantry.

E. G. NELSON & CO. — 56 King St.

Laura B. White. Frederickton, N.B., Oct. 18.—Miss Laura B. White, eldest daughter of G. Milburn White of Marysville, died early this morning from diphtheria which followed a heavy cold. She is survived by her father, one sister, Maude, and one brother, George M. White, now on active service in France.

Dr. Wyman. Dr. Wyman, of Beechwood, passed away after a few weeks' illness at the home of his daughter, Mrs. J. C. Hayes, at Bath, N.B., on Oct. 9, at the age of 86 years.

He had been a very active and successful physician. On May 27, 1917, his wife died very suddenly, and last April his only son died, leaving a wife and five children.

Dr. Wyman leaves to mourn one daughter, two sisters, one brother and ten grandchildren.

Reuben E. Lyon. Reuben E. Lyon, aged 79 years, a life-long resident of Grey's Mills, Kings County, passed away at his home on the evening of October 17th, after an illness of two weeks' duration from an attack of paralysis. The late Mr. Lyon leaves his wife, one daughter, Mrs. Arthur Holder, of Holdville, Kings County, and two grandchildren, to mourn the loss of a loving husband and father. The deceased was well known in temperance circles, and was an ardent defender of the laws suppressing intemperance. The funeral will take place tomorrow morning at eleven o'clock, when services will be held at St. James' Episcopal Church, Long Reach, of which deceased was an ardent follower.

PROBATE COURT.

In the estate of Mabel Josephine

Beatty, deceased, letters of administration have been granted to William Y. Beatty. J. MacMillan Trueman, proctor.

In the estate of E. Gertrude Guy, deceased, letters of administration have been granted to Thomas Guy, Heber S. Keith, proctor.

In the estate of Ellen Pile, deceased, letters of administration have been granted to Harold H. Peters. John G. Belyea, proctor.

In the estate of Alexander Turner, who departed this life Aug. 10, 1918, somewhere in France, letters of administration have been granted to Mrs. Gertrude Winifred Turner, widow. Dr. J. Roy Campbell, K. C., proctor.

Letters of guardianship of the estates of Mary Margaret Nelson, Elsie Theresa Nelson and Dorothy Mary Nelson, infants, were granted to Mr. Sarah A. Nelson. Her husband, who was also a guardian, died recently. Wm. A. Ewing, K. C., proctor.

NEW ARCTIC NAMES.

Vancouver, B. C., Oct. 18.—New names for Arctic lands and seas probably will soon be wanted in Ottawa as a result of the discoveries of Viljamur Stefansson, the returned Canadian Arctic explorer. A board of geologists in Ottawa directs the giving names to all of Canada's new possessions.

Suggestions have been made by Stefansson's friends that should be the name of the group of islands found by the explorer northwest of Prince Rupert. Stefansson, however, new lands are never named after men who find them.

Another name will be needed for what has been called Prince of the Arctic Sea, thought to be an offshoot of the Arctic Ocean. Stefansson found that the sea wasn't a sea at all, contained the new land he discovered.

Pure, Rich Indian Tea and Fine Young Ceylon Leaves—this is all that enters the Morse package.

That is why it makes so many cups of strong yet delicately flavored Tea.
