NARROWLY ESCAPED DEATH

Dragged Forty Rods With Foot Caught in Horse's Halter

An incident of a most thrilling nature occurred at the farm of Bernie Galbraith in Ekfrid on last Thursday evening. Following the fire reported elsewhere, a number of the neighbors were at the scene keeping watch lest the wind might carry sparks and start a fresh outbreak. A young horse named during the fire been hurriedly turned into the pasture field without removing a long halter from about its neck. Malcolm Galbraith, brother of Bernie, undertook to catch the horse, an unbroken and somewhat fractious animal, and untie the halter. In attempting to do so the rope became fastened about his ankle and the horse bounded away, dragging Mr. Galbraith some 40 rods in a semi-circle around a ten-acre pasture field. No one doubted but that he would be killed outright, and it was impossible to give him any assistance. Finally the rope was disengaged from his ankle and it was a great relief to the onlookers to see Mr. Galbraith stand up and to hear him shout, "I am all right, boys."

While Mr. Galbraith is suffering from many bruises and a particularly severe one on the side of one knee it is thought that any very serious results will follow. Fortunately the rope was long enough to keep Mr. Galbraith a safe distance from the horse's heels. The course over which he was dragged is clearly distinguishable as a grazed trail in the sod of the pasture field and through a dried-up creek. A gold watch, a keesake from his father, which he carried in his vest pocket, was broken and the works torn out of the case. The parts were picked up in the field and the watch is not beyond repair.

EKFRID COUNCIL

Pursuant to adjournment the municipal council of the township of Ekfrid resumed its sitting on Thursday, the 12th day of April, 1923. All the members were present. The minutes of the last meeting were read, approved and signed by the mayor.

By-law No. 882, providing for the repair and improvement of the Pierce-Nichols drain, was read a third time and finally passed and the mayor and clerk instructed to sign said by-law.

A petition from fifty-seven ratepayers was presented praying the council to take the necessary proceedings to close the river road at lots 2 and 3.

Wm. Pierce was appointed commissioner for the repair and improvement of the Pierce-Nichols drain as laid out by J. M. McGregor. Checks were issued in payment of current accounts. The council will meet again on May 15 at 10 a.m.

A. P. McDougald, Clerk.

KILMARTIN

Gordon McLachlan, of Detroit, spent the week-end at his home here. Dr. J. H. Wood, of Toronto visited his sister, Mrs. D. N. Munroe, last week.

Mother's Day will be observed in Burns' church next Sunday. The rain on Tuesday was very welcome, as the wheat and grass were badly in need of it. Spring grain is coming up fine. Quite a few have sown their sugar beets.

The Transcript is agent for the Appleford grade book and at the lowest price. Before you give your order to any travelling agent, phone 15. There is a tendency among some of the check book firms toward higher prices in the near future; however, we have been instructed to accept orders at present prices for delivery any time in the next three months. Look up your supply and if you will require more in the next six months, give your local agent the order.

In the Orchard.

The foliage of stone fruits, as cherry, plum, and peach, is on the whole quite tender, and the arsenical sprays should be employed with caution. Arsenate of lead is least likely to do harm, though more than two applications, especially to peach, may cause shotholing, dropping of leaves, and burning of fruit.

The care of the home orchard provides for spare time congenial and profitable occupation for those who enjoy seeing things grow.

Important In Chicken Yard.

The health of our family depends largely upon the kind of feed that is given them and the way it is served. It is just as important to feed right in the chicken yard. Have the right kind of feed and see that it is not tainted in any way.

The first requisite of a good gardener is living near a neighbor who has garden tools.

Cause of Asthma. No one can say with certainty exactly what causes the stabilizing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to eradicate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tubes. It is sold everywhere.

CHINESE JOSS SAFEGUARDS LINER

1. Costumed actors rest from their antics.
2. The altar and offering.
3. S.S. "Empress of Asia" aboard which the other pictures were taken.

In a little steel-bound compartment stand or squat in the stifling heat, forward a hundred Canton Coolies which seems to draw through the walls in sticky beads, moisture from the sea without. The sickening smell of punk and burning Sandal wood pervades the heavy atmosphere, and the ear is tortured by the wail of musicians instruments of reed and string, and the monotonous tump, tump, tump of a skinny knuckle on a native drum. The dim light is thrown by two long tallow candles which burn before and cast wavering rays upon, a hideous Joss, the grotesqueness of which is accentuated and exaggerated by the moving shadows on its face. Before this Joss, which the cotton garbed coolies revere in their silence, is a platter of fruit and chicken—their humble offering. But the food offering does not suffice to win the good graces of this terrible and austere god, neither does the so-called music sufficiently influence it on behalf

Pacific. For forty years the Canadian Pacific Steamships, Ltd., have operated on the Pacific without any serious accident and practically no loss of life, and the Chinese are confident that this record has been achieved only by reason of their exorcism of the evil gods. Respectful of the religious beliefs and fancies of all its passengers, the company allows the Orientals to practise their religious rites with all ceremony, and the privileged occidental can watch the proceedings with amused and smiling but unexpressed disbelief.
