

**CHAIRMAN'S STATEMENT**

It is understood that the participating States recall that they have the right to belong or not to belong to international organizations, to be or not to be a party to bilateral or multilateral treaties including the right to be or not to be a party to treaties of alliance; they also have the right of neutrality. In this context, they will not take advantage of these rights to circumvent the purposes of the system of inspection, and in particular the provision that no participating State will be obliged to accept on its territory within the zone of application for CSBMs, more than three inspections per calendar year.

Appropriate understandings between participating States on this subject will be expressed in interpretative statements to be included in the journal of the day.

This statement will be an annex to the Document of the Stockholm Conference and will be published with it.
