THE INTERNATIONAL BOAT RACE. London, August 23.—The Telegraph to-day, in its sporting article, alludes again to the international race. It says many of the best judges of boating offer two to one on Oxford. It predicts that the Oxonians will win, but believes that the Harvard men will make a better fight than was anticipated by the supporters of Oxford.

LA FRANCE ON THE SALE OF CUBA Paris, 23.—La France says:—However painful it may be for Spain to accept the suggested solution of the Cuban difficulty, there is no other plan possible. It is the only way for Spain to save some fragments of the wreck. The value and duration of Cuban independence under America is another question. The desire to absorb which characterizes the Americans qualifies them very badly to per-form the part of a platonic potentate. It is very probable that behind the compromise they are trying to bring about lies a second edition of the history of Texas.

MADRID, 23.—Marshal Serrano, Regent, has returned to Madrid from La Ganga.

The barrcks at Legrado were burned to the ground last evening. The fire is supposed to have been the work of an incendiary. The press of this city concurs in urging Government to extend clemency to Carlist
