The third tablet is a record of the external restoration of the parish church during the years 1906-1908 at a cost of £3,000. The money has been raised by the Vicar and churchwardens by voluntary effort.

Within the past three months the sum of \$86,000 has been raised for furnishing of the new Christ Church, Greenwich, Conn., now in course of construction and for the building of a new parish house and rectory. Of this sum \$37,000 was given by Mr. G. F. Dominick, a New York banker, \$25,000 by Mr. D. M. Look and some of his personal friends and \$11,000 by the Rector's Aid Society. Mr. Dominick offered, on October 27th last, to give \$37,000 for the purpose, if, before January 20th, the parishioners, would raise \$49,000. This condition has now been met. The congregation is for the most part composed of New York business men and their families.
