company for damages. The damages he received when he grasped the wire would satisfy most mes.

27 yr. or on the whole animal 634 Ks.

28 which bring you \$55.857, Q. Don't wished bring you \$55.857, Q. Don't wished bring you \$55.857, Q. Don't you sell any of that mest at more than 12c, per In? A. Not on an average. A good deal of the meat is supposed to hotels. Q. What do you get 18c, a pound for then? A. Those cuts money in New York now is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates are sold. Q. What would not account, the printer is paid by means of one of those certificates are sold. Q. What would you pay the worst of it is the printer would on the cost. of collecting account, the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of it is the printer is paid by means of one of those certificates. But the worst of the received the worst of the worst of the printer is paid by means of one of those certificates. But the worst of the printer is paid by means of one of those certificates are sold. Q. What would not constitute the worst of the printer is paid by means of one of those certificates. But the worst of the printer is paid by means of one of those certificates. But the worst of the printer is paid by means of one of those certificates are paid by means of one of those certificates are paid by means of one of those certificates. B

es 45c., hearts 25., tails, 10c. Q will say \$1.00 altogether. That all be \$4.90 from the hide and of-il which we will deduct from the rice of the steer which leaves \$85.-10. That would be the net cost of No. It would not. It takes us half a day to buy that steer with a man and a team. J. That animal would ost you \$35.10 and at the press 5, which would leave a gross pritt \$20.85."

Excernt from evidence of Mr. Wm. se manager for P. Burns & Co., Macleod.

Q. Now take a \$30.00 steer. What would that dress on the block? A He would probably dress about 650 700 lbs. What percentage of the "uld he dress 60 fb? A. No. 1 do t think he would, about 50 or 55. What would vou consider the proper charge for dressing and slaughter. bide don't vou? J. What is that worth? A. The bide, if it is taken off roberly is worth about \$5.50. Q. What is the offal worth? A. We row it away. Q. What is the tonogwith? A. About 50c. J. Then

e offal would be worth about \$1 tould it not? A. I suppose that rould be about it. Q. So that you at about \$6.50 by way of rebate rom the hide and offal, so that if a rom the nide and onal, so that if a reer costs you \$40.00, \$33.50 would be the actual cost to you. Now that we have got it on the block we take that the animal dressed 650 lbs low many bounds of neck would here be it one side of the carcass? Neck, 15 lbs., at 4c. lb.

Brisket 40 Ds., at 7c. per D. Shank 10 Ds., at 2 c. per D. Porterhouse 35 Ds. at 15c. per Sirloin 80 Ds., at 15 c. per D. Rumn 85 lbs., at 12 c. per lb. Round 40 Ks., at 12 c. per lb.

"Q. What would vou sell it for by the careass, selling the whole thing iressed? A. About 7½ c. per fb. Q. What would vou get for the hide? A 6c. a fb. It would probably bt worth \$3.50. Q. The heart liver and tongue, how much would they be worth? A. \$1.00. Q. That would be \$4.50 for the hide and offal and according to these figures you would make \$22.20 on a careass and out of that you would have to pay reat interest on capital; insurance and all

of that you would have to pay reat, interest on capital, insurance and all that sort of thing? A. Yes."

Although we examined very carefully into the retail butchers' trade we found it almost impossible to wr age profit per carcass made by retail butcher in Alberta. The fore-roing system was used in exami-ine each of the butchers who appeared hefore the commission. In certain cases the gross profit per carcase

Flank, 10 fbs., at 5c. per fb.

Rump, 25 fbs., at 10c. per fb.

Round, 42 fbs., at 12 fc. per fb.

Hind shank, 18 fbs., at 45c. per shank.

That makes a total one side of 317 fbs., for which you receive \$27.

97 f., or on the whole animal 634 Ks. which bring you \$55.95 f. Q. Don't you sell any of that meat at more to sell their meat at a considerably con

Christmas instead of Christmas.

Very lew of us feel much like working the day after.

The man who tries to save money by stopping his advertising is like the man who stops going to bed be a considerable saving in the evidence that this is true:

We also wish to mention that there is a reason for such a great difference between the price per pound paid for one foot and the price per pound paid for the bide. And what about the of charged in the shop. In the first charged in the shop. In the first place the ordinary range animal will place the ordinary range ani
