

The Dorenwend Co. Ltd. 103 AND 105 YONGE ST., TORONTO. Canada's Greatest Hair Goods House.

BALD HEADED OR THIN HAired PEOPLE.

Did it ever strike you that attention should be given to your hair? Many are doctoring for catarrh, poor eyesight, deafness, impairment of smell and taste, bad memory, nervous and other troubles, with no success—they lose sight of the fact that they are bald or have an insufficient quantity of nature's natural protector of the finer organs of the human system. The hair is not alone intended for personal adornment, but for protection as well. When through sickness, hereditary tendencies and other causes it ceases to flourish, become thin or disappear, it should be replaced by artificial means. There is no better substitute than Dorenwend's Art Hair Goods. They are made in various styles to imitate the exact peculiarities and conditions of the hair departed. In fact they are the same in every way, only that instead of the hair coming direct from the scalp it is fastened to a thin, strong, gauzy texture, which fits close to every "bump" and angle of the hair-producing part of the head. Experience gained in the

fitting of thousands upon thousands of heads during thirty years of active work, places us as pre-eminently the best authority in America in matters of this nature. Doing the largest business, we can better afford to "sail close to the wind," and keep prices within reasonable bounds. It costs less to get first-class goods from us and be sure of value, than it does to buy the productions of irresponsible and obscure concerns. We import direct (first quality hair only), manufacture and design our own goods, consequently we have no middleman's profits to pay and can afford to sell cheaper and give better value. For instance, we continue special offers as per last month's advertisement.

We are selling a great number of Bellina Bangs this season. This style is suitable almost to any face and is made with a fine hair lace or dull parting. The cut above illustrates the style, and sold in smaller sizes at \$1.50, 2.00, 3.00 and 4.00. Large, with and without back hair, at \$6.00, 7.50, 9.00 and 10.00. Our Fluffy Bangs, with and without parting, at \$1.00, 2.00 and 3.00. Plain Fronts, for elderly ladies, \$2.00, 3.00, 4.00 and 5.00. Same with back hair, at \$4.00, 5.00, 6.00 and 7.50. Wavy Fronts, with back hair, for middle aged ladies, \$2.00, 2.50, 3.50, 4.00 and 5.00. Ladies' Open Wigs, ventilated, thousands of these worn everywhere. By this mode any lady can cover the whole head, no matter if bald or white—it covers the neck as well and can be worn high or low, is made with Plain, Wavy or Curly Fronts at \$8.00, 10.00, 12.00, 15.00, 20.00 and 25.00, according to length and fineness, shade of hair and workmanship. Gentlemen's Wigs and Toupees. No house in America does the extent of business or anything like it that we do in this line. We can send goods by mail as well as personal selection. Full information for self-measurement sent free. Prices at \$5.00, 7.50, 10.00, 12.00, 15.00, 20.00 and 25.00, according to size and fineness of workmanship. Try Our International Hair Regenerator if you intend dyeing your hair. It will color any shade desired; sold in three sizes, \$1.00, 2.00 and 3.00 packages. For Restoring Grey Hair and Promoting Growth try our Hair Magic, \$1.00. For lightening the hair one cast or more, try our Golden Hair Wash, \$1.00, 1.50 and 2.00 a bottle.

For curling the hair use our Curline, 25 cts.; to remove Dandruff, use Dandruffine, 25 cts. and 50 cts. We keep Hair Ornaments in Steel, Real Tortoise Shell, Jet, Amber, Sterling Silver, Combs, Pins, etc., from 15 cts. to \$10.00. In theatrical Wigs, Whiskers, Oracapepins, etc., we are leaders. When writing us give full particulars of your case. When Ordering Hair Goods send sample of hair with amount per Post-office Order or Registered Letter. All goods sent out can be exchanged if not found as ordered, or a different style is desired.
