What is *her* smile worth to you? Probably nothing you could do would bring quite so much gladness into *her* life as to drive home some afternoon and say: "How do you like your new car?"

It would mean her liberation—and a bigger, broader, healthier, happier life for the whole family.

Isn't that worth far more than it costs? In the Willys-Overland line of motor cars is the car of her heart's desire which you

can buy for her and still keep on friendly terms with your pocketbook.

Huge production enables us to distribute costs over a larger number of cars and to produce every type of car with virtually the same proportionate saving as though our entire production was centered on the one model of your selection.

See the Willys-Overland dealer and make your selection now, so that *she* may begin without delay to wear "the smile that won't come off."
