Four Teams Unbeaten In Intramural Basketball

Wed. Nov. 16, '49.

Another Wednesday and another session of Intramural basketball. Combines won a very fiery game of basketball (?) from the Soph. After four weeks of butchery, we Foresters to the tune of 47-38. The still find most of the teams able Combines have won three games the Varsity hockey squad opened to muster five hardy souls to carry in as many starts and are on top its 1949-50 hockey season by gainthe torch onward. With the exception of a few skinned knees and a sprained ankle here and defeating the Mooseheads 31-28. there the casualties were compari- Having won four games in four Southern New Brunswick Hockey tively few. U.N.B., Capitals Tie 5-5 in First Contest League

On Tuesday night at York Arena

The play started slowly and ruggedly gradually picking up momentum as the game wore on. The game was evenly contested and featured the good goal tending of Walker in the U.N.B. nets with many brilliant saves. The U.N.B. defence was unsure of itself most of the way which resulted in the forwards having most of their share of back checking to do. The Red and Black line of Malone, McDonald and Bliss was very effective. This week's games have made The Capitals showed that they will ago. The squad had more balance than any of the three York County teams entered in the league last year. Kenny Gordon and the Sew- A High Standard ell brothers stood out.

THE SCORING

At the 25 second mark Capitals went ahead Rickard taking a pass period they went two ahead, centre McIntyre connecting on a pass from Neill Sewell. Gerry Gaudet opened the Varsity scoring at 15.46 on an individual effort. Fredericton scored its third goal, again by McIntyre before U.N.B. replied on scores by Malone and Donkin, the latter after he had missed a chance, closed in with six seconds left in the period. Ted Bedard, last year varsity captain found himself left mates ahead 4-3 midway through things are expected from him this season, the third Lorimer snatched the puck off Doug Sewell's stick after the latter had cut in front of his own goal and the game was tied up.

56 Two minutes later Tim Bliss scor-55 ed his first Varsity goal on a com-49 Neill Sewell scored Capitals fifth the Capitals. 49 goal to leave the teams in dead-

Better Brand

Indications are for a better brand of hockey around this college town the coming winter......The varsity team has gotten off to its earliest start in history and its toughest competition through the formation of the southern N. B. hockey league. This was demonstrated in the first two games of the schedule when the best the Hillmen could do was salvage a tie in the opener with the Capitals. The second game was lost to a powerful Saint John Carleton and York squad 7-4.

About this time of the year sports editors across the land thing be the strongest local edition to are comparing this season's edition of their local hockey six meet the Hillmen since Intermed- with the one that won such-and-such a championship last year. iate Hockey began here two years Rather than break the established tradition your reporters will do likewise.

This year's team has a high standard to maintain. Their predecessors won the local championship and went to the finals in Maritime Intercollegiate play.....In Intermediate competitfrom Cameron to drill a hard shot ion that team boasted players of the calibre of George Steel, past Walker, midway through the Ted Bedard, Russ Northrup, "Chalky" Williams, Cy Spear, Tom Bjerkland, and Art Ingersoll who are not in action this year. Art Plummer, Cecil Smith, Tim Bliss, Bill Malone, Jim McDonald Ron Keetch, Jack Thompson and "Punchy" Walker will fill the vacant spots. These players combine experience with the keenness and eagerness of raw rookies. Malone, McDonald, Walker, Thompson and Plummer have had intermediate or senior experience before.

Bill Malone, who played with St. Thomas University last year seems to be one of the most aggressive players to wear the Red and Black Hockey livery in years. He is centering the gave Walker no chance to send his first line and so far this season has racked up six points. Great

Jim MacDonald was a member of the Antigonish Bulldogs for two seasons prior to coming Up the Hill. The Bulldogs were the A.P.C. champions of 1949 and were eliminated by the Maritime champion Sydney Millionaires in the ensuing Playoffs. A good skater he combines a hard shot with plenty of 53 bination play with Malone and Mac- hockey savvy. He was bothered by a trick knee in his last 52 Donald and with four minutes to go game but should be in top shape for Thursday's encounter with

> Walker played in the nets for U.N.B. two years ago and so far has been the mainstay of the defense. Although seven shots were fired past him in the game against Saint John he handled the remaining 29 in brilliant fashion.

Jack Thompson centred a line with the Devon Dairy Kings last winter and should be a valuable asset on the attack. Art Plummer has had two seasons of experience with varsity and although slow in rounding into shape after a year's layoff he should be tough for opposing forwards.

The Team To Beat

The team to beat in the tri-team league seems to be the Carleton and Yorks who are bolstered by many former Saint John Beaver players. The value of their experience was clearly shown on Wednesday. They seemed to be able to make the right move at the right time. The forwards held the puck in the U.N.B. zone on numerous occasions, relaying the disc back and forth until an opening was found in the Red and Black defense. They made the most of these opportunities giving Walker many anxious moments with sizzling drives from in front of the cage. In Butler, Garey, Colwell and Lynch they have four attackers who starred with the Beavers when that team won the Maritime championship in 1946. The Port city's goaltender, Sonny MacDonald was picked on the Big four All-Star team last year. His absence from the Beaver line-up this term must be from reasons other than playing ability for he performed well on Thursday. Eddie Price, another former senior player was the best defenceman on the Saint John team.

Intercollegiate Champs?

U.N.B. has taken a defeat from this classy outfit, one in which it was outshot two to one. Wins against the Carleton and Yorks will be hard to obtain but the games should serve a purpose, in that they should give U.N.B. the necessary experience and condition to win another Maritime championship for this university.
