PLEASE ADDRESS ALL COMMUNICATIONS TO THE COMPANY

Rt. Hon. Arthur Meighen,  
Parliament Buildings,  
Ottawa, Ont.

Dear Mr. Meighen:-

I was sorry I was unable to see you in Toronto for any longer time as I unfortunately had to get back to London. You will be pleased to know that my mother is much better.

I am going to pass along a suggestion to you in regard to your western trip. Wilfrid Haney, the new member of the legislature for West Lambton was in my office this week and we were talking about your trip west. He said he would like to go out with you. It struck me that as a young man still in his twenties and a returned soldier with a brilliant record, he might be able to give you some platform help at the two western conventions. It is the young men that we have to enlist. I pass the suggestion along to you for what it is worth.

We are planning to make our Western Ontario banquet the biggest affair ever held in this part of the country. We have arranged to secure the Winter Gardens where we can have nearly 1200 sit down at tables.

Yours sincerely,

*Arthur F. Ford*
