be worse than before and possibly might
give us all an agreeable surprise.
Frankly the only disturbing element
in there was dissatisfaction in our
own party, especially over our
friend Bob Rogers who everybody
knows deserves highly of the Can-
Party. I told Marion in the
minute I had with him what
ought to be done - Coming through

Telegram article which pleases
me immensely - What's Seldom
is wonderful! Burnish up
your armor, then, on all sides
fix up the duffs promptly - and
go "at them" and May the Lord
of the Battle give you splendid
Victory - Truly
