The Right Honourable A. Meighen,
TORONTO,
Ontario.

Dear Mr. Meighen,-

While regretting that you are not coming to Ottawa, I desire to congratulate you upon your again placing yourself in a position to render great assistance and prestige to the Ontario Hydro Commission. It was badly needed, and from all sources, I hear nothing but commendation of your action.

All of the old guard were in hopes that we would again see you in the political arena, but now that you have chosen differently, I desire to wish you every success in your new venture.

With kind regards, I remain,

Yours sincerely,

G. C. Wilson
