Dear Mr. Meighen:

Many thanks for yours of September 27th and for the editorial from Le Devoir, which is ~~certainly~~ very interesting and gratifying. This certainly is a candid admission that French Canada was hoodwinked on the subject of W.L.M.H., particularly with respect to his alleged "nationalism." Now if Le Devoir would only go all the way and admit how mendacious and unfair its columns used to be concerning you and the Conservative party, we would have an even more noteworthy achievement to celebrate!

Incidentally you should not apologize for your translation which reads very smoothly.

I note your reference to King's effort to have Byng consult the British Government in 1926, a fine illustration of his "nationalism"! I have no doubt Ferns and Osting will make good use of this episode and I certainly intend to.

Yours sincerely,
Rogers.
