

True Route to West

It is a fact recognized by the masses, and the masses
of a Republic, that the President of the U. S. is
not the Director of the Treasury, and therefore
cannot be held responsible for the policy of the
Government. The President is the only one
responsible for the policy of the Government.
The President is the only one who can
declare war, and who can send troops
into foreign countries. The President is
the only one who can make treaties, and
who can appoint and remove judges.
The President is the only one who can
grant pardons, and who can fill vacancies
in the Supreme Court. The President is
the only one who can declare a national
emergency, and who can suspend the
Habeas Corpus. The President is the
only one who can grant clemency, and
who can pardon criminals. The President
is the only one who can grant amnesty,
and who can pardon a whole class of
criminals. The President is the only one
who can grant a full and complete
pardon, and who can restore the rights
of a criminal. The President is the only
one who can grant a full and complete
pardon, and who can restore the rights
of a criminal.
