

Sidney Basic Slag

Try it This Season on Your Fall Wheat

THE Ontario farmer can get no other fertilizer for \$20 per ton that will make him as much money on his Fall wheat as Sydney Basic Slag. If we have no agent in your district we will supply ten lots direct from the factory at this price, cash with order. Better still, perhaps you could get a few of the neighbors to join with you and take a 20-ton car. If you think you can manage this drop us a line right away and we will get our general Salesman to call and talk the matter over. If necessary, he could drive a day with you and see the neighbors. You would be reasonably remunerated for your trouble, and what is of more importance you will confer a great benefit on your district in introducing Sydney Basic Slag.

Interesting descriptive literature will be sent on application.

The Ascendency of the Mutual system

MUTUAL Life Insurance Companies issue seventy-five per cent. of all the old line, legal reserve, life policies written on this continent.

The most progressive companies in the whole world were either mutual from the beginning or have afterward been mutualized.

Therefore The Mutual of Canada sells the most modern and the most popular type of life insurance contract.

In Mutual Companies the entire assets are the property of the policyholders, and the control of the company belongs to them.

There is only one such Company incorporated in Canada. This Company began business in 1870, and is now one of the strongest financial institutions in the Dominion. It is known as

The Mutual Life
Assurance Company of Canada
