Farmers!

The buying power of the dollar today is very low. That is why you obtain such prices for the food you raise.

During the next five years, the buying power of the dollar will rise. Every four "low-powered" dollars you invest in War-Savings Stamps this month will bring you five "high-powered" dollars in 1924, when food will not command present prices.

Invest every dollar you can in W-S.S. which are sold at Money-Order Post Offices, Banks and other places displaying the W-S.S. sign.

THRIFT STAMPS—25 cents each—are sold where W-S.S. are sold and by patriotic storekeepers. Sixteen Thrift Stamps on a Thrift Card represent \$4.00 in buying a W-S.S.

BUY WAR-SAVINGS STAMPS

Next month W-S.S. will cost one cent more—\$4.01.

Can't Burn Up Meat! Can't Burn Down Buildings!

Don't take chances—wood smoke houses are liable to burn up and destroy your meat—and burn down your buildings any minute. They freeze the savory juices out of meat. Get a Kirstin all-steel, fire-proof smoke house and be safe! Have sweeter, milder smoked hams, bacon, sausage.

SMOKE MEAT FREE!

Kirstin Smoke House

Smoke positively permeates to bone without retaining out savory juices—because smoke is air cooled. After smoking use for meat store houses. Lasts longer and is better than wood. Costs much less. Use in basement, kitchen or porch. If satisfied after 30 days' trial, keep it. If not, return at our expense. You don't risk a penny! Four easy ways to pay. Write for free literature and Special Agents' Offer.
