

The Proof is In the Cures

THERE is but one proof of the value of a Lump Jaw remedy, and that is the cures it has made.

Mitchell's Anti-Lump Jaw

stands unrivalled in its field. No other remedy has the record it has. No other remedy cures after "your money back" if it fails to cure, as we do.

THE W. A. FREEMAN CO., 57 Ferguson Ave., South, Hamilton, Ontario.

Gentlemen,—Nine years ago I purchased from you a large quantity of material known as Freeman's Ready Roofing, with which I roofed the north half of my barn and two sheds, 6x20 each. This year we re-painted this roof and found it in excellent condition. A shingle roof put on part of the barn two years before was badly in need of repair. I shall hereafter use your ready roofing on all my out-buildings.

Yours truly
(Signed) F. W. HOBSON.

Strathy's "HINGE" Stay Field Fence and SINGLE POLE Gates

THE 20th CENTURY FENCE.

A fence competitor says "It has no equal." A trial will convince you also.

We have since purchased the rights for the Maritime Provinces of Canada.

The product of years of practical experience, careful study and experiment under the hardest climatic conditions of heavy snow and severe frost in winter and high temperature in summer, with a variation of 150 degrees. Our Spring Post meets perfectly the requirements and overcomes all the difficulties of contraction and expansion, under a variation of 180 degrees of temperature, and has besides a reserve capacity of as much more to provide for great strains and to automatically take up the stretch in the wire. Our "Hinge" Stays so act, when under pressure of snow or other weight, that when the weight is removed the fence springs back to place, with Stays unbent and fence uninjured. A system all our own and unlike any other. We use heavy wires—high-carbon spring-steel wire of highest quality—but our system is cheaper and the completed cost less than any other fence. Write for full particulars, and state fully your requirements.

Cheese & Butter

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest salt should be used. The number of prizes obtained by users of Coleman's or Rice's Dairy Salt at the various exhibitions is conclusive proof that these brands of salt stand unrivalled.
