Get pure blood and keep it pure by removing every trace of impure morbid matter from the system by using

BURDOCK BLOOD BITTERS.

Mrs. Fred. Biggs, Kingston, Ont., writes:—"I was completely run down, my blood was out of order, and I used to get so weak I would be compelled to stay in bed for weeks at a time. I could not eat, was pale and thin; every one thought I was going into consumption. I tried everything and different doctors until a friend advised me to use Burdock Blood Bitters. I did not have one bottle used when my appetite began to improve. I used six bottles. I gained ten pounds in two weeks. When I began to take it I only weighed ninety-three pounds. It just seemed to pull me from the grave as I never expected to be strong again. I will tell every sufferer of your wonderful medicine."

A young woman of Toledo, Ohio, was asked by a friend as to the likableness of a young chap who for some time had been paying devoted attention to the young woman in question.

"Oh," replied the fair one, carelessly, "William is a nice enough fellow, but he talks shop too much."
"How's that?" was the next question.
"I thought he was a street-car conductor."

"So he is," returned the other, "and he's continually saying, 'Sit up closer.'"
