

Save Friction, Save Wear, Save Fuel Bills
Use

Capitol Cylinder Oil

The very best oil for steam plants on the farm. Lasts longer and gets more power from the engine, with less wear, than any cheap substitutes; costs less in the end.

Atlantic Red Engine Oil

A medium bodied oil, strongly recommended for slow and medium speed engines and machinery. Eases the bearings and lightens the load.

S. Peerless Oil

Has no equal as a lubricant for farm machinery generally. Specially suitable for reapers, mowers and threshers.

DE LAVAL CREAM SEPARATORS

RIGHT NOW THE BEST TIME TO BUY ONE

There was never before as good a time to buy a DE LAVAL Cream Separator as **right now**.

The hot weather is at hand, when dairying is most difficult without a separator, and when the increase in quantity and improvement in quality of cream and butter are greatest through the use of a good separator, which with present high prices means even more now than ever before.

Then there is the great saving of time and labor, which counts for more in summer than at any other season, and often alone saves the cost of the separator, aside from all its other advantages.

This is likewise the season when DE LAVAL superiority counts for most over other separators—in closer skimming, larger capacity, easier running, easier handling, easier cleaning and absolute sanitation.

A DE LAVAL Cream Separator bought now will easily save its cost before the end of the year, and it may be bought for cash or on such liberal terms as to actually pay for itself.

Look up the nearest DE LAVAL agent **at once**, or drop us a line, and we will have him **look you up**.
