COLLEGIATE SCHOOL AT WINDSOR, N. S.

WINDSOR, N. S., June 17.-Delightful weather prevails, and the Collegiate School class day exercises on ors, many of them parents and relatives of the boys. Seats were placed around for the comfort and convenience of the assembly. The gymnastic dis-play, under the direction of Sergeant Cunningham, was gone through with most noticeable ease and grace. The juniors gave as their exhibition club exercises, ring exercises, wand exer cises, dumb-bell exercises, and the seniors steel bar exercises, free gymnastic club exercise. Campbell of . Wey mouth, a very young pupil, gave splendid exhibition of the many figures in dumb-bells, and was given an ova on, as were also the participants in the tableaux figures. At the conclusion the prizes were awarded by Bishop rell, who, with Mrs. Worrell and daugher is here for encoenta week.

The accusation against Mr. Crocket is that he printed the libel in the Gleaner published in this city. There are numerous publications but in this case it is not necessary to show anything further than publication in this paper. If you find this, the next thing for you to decide is whether these words are intended to refer to Hon. Mr. Emmerson. If they were published in reference

to Mr. Emmerson then that part of the requirements of the law with reference to defamatory libel is com-plete. In the next place if you find that these words imply this meaning or carry with them this meaning, that that they are published without egal justification or excuse, that side legal justification or excuse, that side of the question if there be that side to it, will not be of concern to you. You must further find that these words so published were designed to hurt Mr. Emmerson in his reputation, by holding him up to contempt or ridicule. If you cannot find these things then you will do right not to find a true bill. Twelve of your number is sufficient to find a true bill.
