He is not gifted with any great degree of scientific knowledge and relies on speed and strength to win his battles. A fighter of his type like that means death to base stealers. I relies on speed and strength to win his batties. A fighter of his type must therefore always be in the pink of condition. Gymnasium work will accomplish much for him, but what Palzer needs most is the experience to be gained in the ring. He is wasting much valuable time waiting for Johnson—it looks a hundred to one that the black will not keep the engagement. At least not at the appointed time.
