The First Sign Of failing health, whether in the form of Night Sweats and Kervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the control of to the enfectbled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching, and vitalizing the blood.

Failing Health. Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remodies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever. — Mrs. E. L. Williams, Alexandria, Minn.

I have used Aver's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly cradicate this terrible disease. I have also prescribed it as a tonic as well as a contract. prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S., M. D., Greenville, Tenn.

Dyspepsia Cured. It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilia. I was under the care of various physiciahs and tried a great many kluds of medicines, but never obtained more than temporary reflect. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duites more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla, It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered,—H. D. Johnson, 333 Atlantic ave., Brooklyu, N. Y.
