Designs, Plans and Estimates Furnished on Application THE GREAT SOUTH AMERICAN

The Most Astonishing Medical Discovery of the Last One Hundred Years. It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from vhatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption emedy ever used on this continent. It is a marvelous cure for nervusness of females of all ages. Ladies who are approaching the critical eriod known as change in life, should not fail to use this great Nervine Fonic, almost constantly, for the space of two or three years. It will earry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been ole to compare with the Nervine Tonic, which is very pleasant and armless in all its effects upon the youngest child or the oldest and most elicate individual. Nine-tenths of all the ailments to which the human nily is heir are dependent on nervous exhaustion and impaired diges-When there is an insufficient supply of nerve food in the blood, a eneral state of debility of the brain, spinal marrow, and nerves is the esult. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair Received direct from Canadian mills, 141 cases and bales cotton goods, woolens and general domestic staples, all personally selected for our the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous de-

INDIGESTION AND DYSPEPSIA. The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incal-culable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the ONE and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic. Wonderful: Cultative powers of the South American Nervine Tollic.

Harriet E. Hall. of Waynetown, Ind., says:

"I owe my life to the Great South American Nervine. I had been in hed for five months from Nervine. I had been in hed for five months from Nervine Tonic of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relict. The first bottle of the Nervine Tonic improved meso much that I was ableto walk about, and a few bottles cured me entirely to be leveral generations. I began taking the Nervine Tonic, and continued its use for walk about, and a few bottles cured me entirely its the best medicine in the world. I be granted the Nervine Tonic, and continued its use for walk about, and a few bottles cured me entirely its the grantest remedy for nerves, stomach and lungs I have ever seen."
