THE UNION ADVOCATE, TUESDAY, OCTOBER 4, 1898.

	Telephone 60.
3	TUESDAY. Oct 4, 1898. Newcastle Societies
	MEET AS FOLLOWS:— NORTHUMBERLAND LODGE NO. 17
n	t A. M., in the Lodge rooms on evening of the second Tuesday of nonth at 7.30 o'clock. NEWCASTLE DIVISION NO. 45 S. of
ė	n the Temperance Hall every Thursteing at 8 o'clock. COURT MIRAMICHI, No. 165 I. (n their rooms, Masonic Hall, on evening of the fourth Tuesday of
	nonth at 7.30 o'clock. Newcastle Board of Trade, Monday of each month in the over M. Bannon's store.
	COURT HAPPY RETREAT No. 150 l F., in Foresters' Hall, Derby, on the Thursday of each menth at 7.30 o'cle
	What is the Government going tabout it?
	By the Plebiscite vote taken last T day the citizens of this Dominion direct and authoritative expression to judgment on a question of vast impor-
	and one that has been troubling the g ment of this country for many They gave their opinion on a dis which the government desired they s settle. Now the fundamental assum
	of the form of governments of this constitution of the form of governments of this constitution is that the majority of its citizens we true and just in their decision on question submitted to them, and the
	decision of this true and just majorit be the decision of justice and the de of justice will be the law both i majority and for the minority. In
	that the decision of the majority middle determined on the question of prohit the citizens came to the ballot box. there rendered an honest decision
	impossible to misunderstand their ing, they have spoken in such furtherms as to compel obedience. A mod lawful votes lawfully polled is su authority and must be obeyed.
	The clay hardens into iron, But the potter moulds the clay, Destiny to-day is master, Man was master yesterday.
	The will of the majority must law. A political party is not the gment, of this country. Political have been overthrown and the government.
	of the cnuntry may havt been as we their overthrow. A party is a channel under government through the people mass their judgment and ion in matters relating to the publi
	allow party to rule us instead of o us. We must think of aims and pu and use parties for the accomplishe
	the same. What our country ne the present time is intelligent, I hard-headed, public spirited men, w axe to grind but to serve their coun
	the very best of their ability. We none of us debtors to a party, but of to our country and to our manhood will of the people must be regarded supreme authority and there can
	offense against a people more flagrar an intentional disregard for the authoritive, and clear expression public will. Public sentiment and
	opinion have been expressed where could not speak with greater aut. The rule is that the majority shall h way. It might be asked, Have we any r
	assume that the government will n a satisfactory prohibitory measure earliest convenience? The mouth-j the government in the city of St
	would lead us to suppose that the ment will take no action whatever matter. We should be willing to g government of the country ample take in the situation; to frame
	factory law, to devise means for forcement and punishments for its tors. But the attitude of all the ment organs do not point that way.
	have fore-stalled the action of the ment and declared that nothing done. There seems to be tendency part of the government press to m
•	the vote taken on this question, state at once that nothing can b It seems somewhat remarkable that some of the government organs at the indifference of prohibitionists.
	the indifference of prohibitionists question none of them speak of difference of the liquor party. D assume that the minority vote rep the entire strength of the liquor par
	so that party is very decidedly minority. If the vote polled does any means represent their number their strength then they must have

This result was anticapated, and the size of the vote is also about equal to the expectations. The prohibitionists are gratified at the showing made by the returns, but regretful that a greater proportion of the electorate did not go to the polls hardly more than one-third of those entitled to vote exercising their right. The their dearly bought conquests.

This result was anticapated, and the size of the vote is also about equal to the expectations. The prohibitionists are gratified at the showing made by the returns, but regretful that a greater proportion of favorable terms before releasing the prison-returns, however, are largely favorable to prohibition and up to noon today the their dearly bought conquests.
