HOCKEY. Arrangements have been completed for the first O. H. A. match between the Victorias and Hamiltons.

The game will take place on Thursday evening, commencing at 8 o'clock, and as both teams were believed to be in good shape and very evenly matched, a brilliant game may be expected.

The Victorias are without the services of five of last year's team, and although all of the five were good players and the loss will be felt to a certain extent, the club has lots of material left to pick seven good men, from, and they will do so in their power to make the game interesting for all concerned.

The Hamiltons have a team that is far from poor, as every man of the first team has been tried and proven capable of upholding the good name of whatever club it is not represented in the past, yet it is not known how the team plays, as it has not had experience in a match this season.

All Hamilton should turn out to this game, as it is the first this season, and give hockey a send-off that will give assurance of a successful season on the ice, and result as follows: Interesting either to watch or play, and it is conceded to be the fastest game played.

The Crescents have their first match in the S. D. H. A. series on Friday night, playing the Niagara Falls team here.

At Niagara Falls on New Year's night the home team defeated the Buffalo Hockey Club by 15 goals to 1. The Winnipeg Senior Hockey Team, which goes east this week, played an exhibition game on Friday night against the Victorias. The Winnipeg won after a close match by 4 to 2.

NEW YEAR SPORT. The New Year's shoot of the Mairland Gun Club was held on Saturday. Notwithstanding the extremely cold weather, there was a large attendance. The first event was at 15 live pigeons each, and resulted as follows: Brigger 13, Harrison 12, Stewart 12, C. Oliver 11.

The other events were at 10 targets each, and the winners were as follows: Event 1-Harrison 10, F. Oliver 10, C. Oliver 9, Waterbury 9, C. Oliver 8, T. Marshall 7.

Event 2-Harrison 10, Bowron 9, Stewart 9.

The Kerrigan race from the Arcade to the Jockey Club track in the afternoon consisted of a single field, but a large crowd of spectators saw the finish. The runners made good time, the winner doing the distance, about six miles, in 35.39. T. Green was the winner. The others finished as follows: W. Price, second; J. Walman, third; D. Connell, fourth; H. Moore, fifth; R. King, sixth.

It will be remembered that the Hamilton team won the Christmas Day match by 22 to 12. The Toronto boys won the return match, the score being 9 to 5. The teams were:

West End Toronto Y. M. C. A.-C. Wray and F. Scott, forwards; J. Dempster, centre; W. Nicholls and J. Barnett, defence.

MICHAEL DEFEATS TAYLORE. New York, Jan. 13.-Jimmy Michael, of Wales, again demonstrated his superiority as a middle-distance wheelman in his 25-mile race with Edouard Taylore, of France, on Saturday. Billy Young, who had Taylore under his careful supervision in training for this race, said after the race was over that his man should have started with a higher gear than 94. But the work of his man after he exchanged his broken machine for one geared to 104 was not up to his trainer's expectations. Michael employed three tandems, while Taylore had thirteen tandem teams, including the famous Chase brothers, Gougoltz and Lamberjack, the French patternmakers and champions, and two English teams other than Chases. Michael weighed 102 pounds and rode a 104 gear. Taylore weighed 130 pounds.

At the end of the third mile the little Welshman was an up-head, gained another in the fifth, and a third by the end of the eighth mile. He kept on gaining almost as he pleased. The seventeenth mile Taylore rode around after Michael's tandem for three laps, but the effort weakened him considerably, and he had to let up and Michael ran ahead another lap at the end of the nineteenth mile. Taylore's saddle broke in the twentieth mile, and in exchanging wheels he lost two laps, thus giving Michael a clear lead of a mile. Summary: 1 mile, Taylore, 2:04; 5 miles, Michael, 10:03; 10 miles, Michael, 20:15; 15 miles, Michael, 30:42; 20 miles, Michael, 41:23; 25 miles, Michael, 51:54.

A YEAR'S RECORD. New York, Jan. 3.-Irving Harrison, a member of the Hackensack Wheelmen, at midnight on New Year's eve, completed 26,253 miles for a year's run, and to-day the club officials forwarded all the data necessary for the establishment of this performance to the Century Road Club of America, of Chicago.

Harrison will claim the national record for a year's run. He also won the mileage contest of the Hackensack Wheelmen, covering 15,783 miles from March 1st to November 1st.

NO CONFERENCE HELD. Chairman E. E. Ryckman of the C. W. A. Rights and Privileges Committee, was in Buffalo last week on private business, but he had no conference with bicycle officials of the League of American Wheelmen, nor had he a meeting with any American wheelman, for that matter.

TO RE-ELECT POTTER. New York, Jan. 3.-A despatch from Baltimore, under date December 30th, to the Press, says: "It leaked out here to-day that at a secret meeting held in Philadelphia yesterday a combination was effected by which Isaac B. Potter will be re-elected President of the A. W. The deal takes in the States of New York, New Jersey, Indiana, Ohio, Maryland and Pennsylvania, and brings together enough votes to elect the slate agreed upon."

A DRAW AT ROCHESTER. Rochester, Jan. 3.-No other decision than a draw could have been given on the bout between Mike Leonard and Johnny Langhin, the Buffalo light-weight, before the Rienz A. C. on Saturday night. The men fought twenty rounds on such even terms that there was absolutely nothing to choose between them at the finish.

CHOCYNSKI WANTS IT AT CATCH. Chicago, Jan. 3.-Parson Davies, manager for Joe Chocynski, the heavy-weight pugilist, has issued the following ultimatum in answer to Kid McCoy's announcement that he would meet the Californian on 182 lbs. "Joe Chocynski will fight Kid McCoy at catch weights at any place and at any time for a purse of \$5,000. He will agree to no particular weight.

"Prospects for a meeting between the two pugilists, therefore, are not very bright.

CAN'T GET SKATERS. Montreal, Jan. 3.-The council of the Canadian Amateur Skating Association has decided not to hold any speed skating championships this year, as there are very few skaters available. The figure skating championships will be held at the end of February.

JOHN HOOD'S TURN-OUT. Buffalo Courier-Record: In addition to the single turnouts there were several teams which attracted attention, but the team which was driven by John Hood, President of the Port Erie Jockey Club, was the finest. It was the most gorgeous affair that has ever appeared. Ferry Taylor was also in evidence.

ODDS AND ENDS OF SPORT. Traverser, at 2 to 1, won the second race at San Francisco on Saturday.

Geo. H. Orr, President of the C. W. A., received a badly sprained ankle at the Revere Gun Club shoot on New Year Day.

The Grand National Curling Club met in New York on Friday and arranged for playing the North-West South of Scotland match on the 12th of January.

Thomas Sharkey has issued a challenge addressed to Robert Fitzsimmons, in which he demands that Fitzsimmons give him the first chance on his re-entering the ring.

A New York despatch says that Joe Boyle will offer a purse of \$25,000 for Corbett and Fitzsimmons at Dawson City, where \$100 a head can be had from people who want to see boxing.

R. C. Latham, the Harvard coach, sailed for England on Saturday on the Etruria. Mr. Latham will return in April, when he will select the members of the Harvard crew to row in the big race.

Johnny Burns, with 23 winning mounts as easily at the head of the list of winning jockeys at New Orleans up to this week. Combs, the second boy, has won only 7. Aker, 6; Nutt, 5, and Caywood and Songer 4 each.

Arthur Irwin has not decided whether he will take a picked team of Toronto hockeyists or the Varsity seven on an American tour. He thinks that the collegians would be a greater drawing card, and that it would pave the way to other international meetings of an athletic nature.

Secretary Russel has issued instructions next week to the umpires appointed by the O. C. A. to conduct the Tankard competitions. They will be told how to make the draw, to select the most convenient place for the match, and to keep the expenses down to the finest possible point.

James B. Haggin, the well-known jurist, was married on Thursday in Toronto to Miss Pearl Vorhies, a niece of his first wife. Mr. Haggin is 74 years old, one of the richest men in America, and the owner of more thoroughbred horses than any other person in the city. The bride is 28 years old. The honeymoon travel will be in Mr. Haggin's private car, named after his famous race horse, Salvator.

DINED OFF GOLD PLATES. Swell Banquet Given by Mr. Van Rensselaer at New York. Philadelphia, Jan. 2.-The most notable social function of the season was a dinner given at the Bellevue last night by Alexander Van Rensselaer, of New York, to Colonel and Mrs. A. J. Drexel. It was estimated that over \$100,000,000 of wealth was represented at the dinner, and the jewels worn by the ladies of the party were valued at over \$1,000,000. The dinner, which cost \$3,500, was served on gold plate. The guests sat at a round table illuminated by incandescent lights, and surrounded by American beauty roses, pinks and violets, while among other decorations were Hamburg grapes and hot houses.

At the entrance to the banquet room a boy dressed in Colonial costume attended a turnstile through which the guests passed. The gowns of the ladies were magnificent, and the decorations of the art, the prevailing colors being pink, cream and white. Mrs. John R. Fell, the prospective bride of the host, wore a beautiful pink satin gown trimmed with diamonds. Mrs. Frank Drexel wore a light cream satin trimmed with diamonds. A Varsity of Rev. G. A. Forrester's Rectorate.

SERVICES IN OTHER CHURCHES.

A Mass Divine at First Congregational Church-The Sunday School at Centenary Church on New Year Day-Watch Night Services on New Year's Eve.

Yesterday was the twelfth anniversary of Rev. Canon G. A. Forrester of All Saints' Church, of this city, and in his sermon last evening, Forrester made reference to that and gave a brief retrospect of the year. Among the distinguished men of the year were some that commonly to all churches—too many to list at the public services and at luncheon; in some the withholding means and in others little evidence of spiritual life. On the other hand there was much to encourage a spiritual things, there was always an unknown quantity—results known to God—yet in spirituality and had much encouragement.

There were many earnest worshippers and regular communicants and always in their places in the choir; generous and liberal contributions and a faithful band of helpers who had received private instruction that his work had not been less. In temporal things the church had been fairly successful. He considered his special duty and a great share to mention two special gifts of the church, which he recently, had two gifts of \$500 each. One from the late Mr. F. H. Mills, former church warden.

Part of the money had been expended in procuring the new organ, used that day for the first time, and the balance in buying the pews and painting and outfitting the church. The second gift of \$500 had been from his congregation, and was to be devoted to reducing the debt on the Sunday school, and would bring it down to zero, whereas it had been \$4,000. The Sunday school interest had increased to five per cent. During the year he had officiated at baptisms, 17 marriages at the church, Rev. Mr. Forrester asked congregation to do what they could assist the Sunday school. During the year the choir sang "Hark, Hark Angels Sing," "The Dawn of a New Day," and "The Dawn of a New Day."

CONGREGATIONAL CHURCH. At First Congregational Church last evening Rev. Mr. Forrester, pastor of the People's Congregational Church, Chicago, preached an interesting sermon on the text "The Royal Society." His text was Luke 13. The trend of our times shows that God's love towards humanity was always in excess of humanity's capacity. From Christ's life there have grown many lessons in support of giving this noticeable amount of forgiveness as well as the man with the pangs of conscience in addition to the pangs of conscience to graining and graining the hungry disciples' souls. He had previously fasted fish. A practical application of this lesson to the needs of our time, brought the sermon to a close.

Rev. Dr. Beavie, in pronouncing the service, made an appropriate remarks relative to the sermon.

DISCIPLINES TEST. At the service in the hall of the Disciples of Christ, the Rev. W. G. Charlton, the minister of the church, read the minutes of the conference on "The Cathedral." His subject was "The Cathedral as a Test of Faith." He read the text, Matthew xvii, "This text might his subject will be 'Foundation.'" On Jan. 16th, 1897, the "Its Foundation" was laid. He said the church of to-day in many respects is the same as the church of to-day in many respects.

At half-past 10 o'clock on morning of New Year's Day, a group of the Methodist Sunday school of this city gathered to attend the service of the church. The service was held in the hall of the church, and was conducted by the young people turned out in style and fitted the church. The platform was decorated with flowers and the church was filled with the pangs of conscience.
