### ORSTRUCTION.—The ice on the edge DOW THROWS UP THE SPONGE

Saturday last was nomination day. Those who thought there was to be no fuss were grossly mistaken. Dr. Dow who was proven to be the soul of honor had to "vindicate" himself, and Messrs. Blair and Colter had to jam several things down his throat. The crowd, of lawyers. Those men too often show too, had first to "gaze on the Doctor and see how he would bear himself.

At 11 o'clock the nomination opened and Mr. Blair with a bland smile came forward. He looked well and his (Hoofs for Headeneese gratis); beef, face was dimpled all over with pleasantry, even as is the mill pond by the action of the frog. In the latter capacity the Doctor acted on the lawyer.

and nail, had opposed it when only the his business and not go about full of fag-ends were put forward before the spite and avarice, trying to sting some country, had opposed and cried it down and wring money from others, as had even as the country had by its united been done. If elected he would fulfil voice. No one outside the government his duty as best he knew how. [Loud ing approved of their hash formation; been received.
