Col. Munro, who was struck in Montreal on the 24th, is better, and has returned to Quebec. It is proposed, during the recess, to make several changes in the main departmental buildings at Ottawa.

As a result of the new tariff several establishments will be opened at Montreal. Montreal dealers have purchased 100,000 tons of coal from Nova Scotia mines ordered for delivery this summer, 7,000 tons go to Ottawa.

The Chaudiere and Hall mills have commenced running again and give employment to over one thousand men. They have been idle for many months past.

Frosts at night have done a good deal of injury to growing crops in the provinces of Quebec, and in many places corn, peas and oats will be sown over again.

The annual report of the London Mechanics' Association, which is the largest institution to be in a very flourishing condition. The membership has visibly increased.

A trial is being made by several farmers in a tract of the adaptability to the Canadian climate to the amber sugar cane, which is claimed to ripen in the same latitude as Indian corn.

A cablegram was received at Montreal from Antwerp on Tuesday ordering 64,000 tons of Canadian iron ore, within a certain limit, which the agent at Montreal says he could easily have filled.

A new industry is about to start in London. The screws made in these works will be used for light iron work, such as screwing up the machinery of the city.

Mr. Murdoch's surveying party to locate the line of the Canada Pacific railway west from Selkirk, arrived at Winnipeg on the 24th, and is expected to reach Regina in a few days.

A test case of the butchers at Montreal, in which their right to have a stall within three hundred feet of a public market, contrary to a by-law, has been decided against them by the Recorder.

H. Wilkins, a farmer residing at New-Windsor, N. B., recently received intelligence that he had fallen heir to a valuable estate comprising eight hundred acres and in Essex County, England.

Rev. Mr. Dumoulin, of Montreal, has accepted the pastorate of Trinity church, Chicago, rendered vacant by Rev. Dr. Sullivan, who has accepted the pastorate of St. George's church at Montreal.

2,662 males and 2,444 female children of Roman Catholic parents were born and registered in the city of Montreal last year. The Roman Catholic marriages in the same period numbered 1,171.

The water in the St. Lawrence is falling rapidly, and the lands in the river are beginning to make their appearance. Logs will soon be running through February.

They are already running through February. Instructions have been received at St. John, N. B., from Ottawa reducing the salaries of all but two of the inspectors of the railway equipment in that province.

A Victoria, B. C., despatch says—Barringtons have arrived to explore a new railroad through the interior of the country. It is claimed that the line through that section will be 500 miles shorter than any other contemplated line.

The Quebec Chronicle is informed that Secretary Evans is expected to arrive in that city about the same time as the Duke of Argyll, and that the latter will accompany him on their fishing excursion to the Lower St. Lawrence.

It is reported from Montreal that Joseph Caldwell, a private in the 13th Brooklyn Regiment, who remained there on a visit with a brother, a student in college, has been promoted to the rank of sergeant.

The Princess Louise's Dragoon Guards, of Ottawa, have, on the 10th inst., participated in the Fourth of July celebration in that city. They offer to furnish the troops with horses, and they have also received a similar invitation from the Citizens' Corps of Victoria.

Montreal has covered herself with honor, on the occasion of the visit of the City Council having decided to recommend the Council not to pay the \$10,000 voted for the relief of the water, but to have a John fire, notwithstanding that the committee in St. John report that money will be required to assist the city to come to assist the indigent and needy.

The following assistant inspectors of stock for the Dominion Government have been appointed: N. S., among the inspectors of the Dominion Government, is carrying out the regulations of the Ordinance in connection and the act relating to infectious diseases and contagious diseases, viz, Mr. Malin, C. Baker, V. S., for the port of Montreal, and Mr. J. A. Contour, V. S., for the port of Quebec.

The late col. who did considerable damage to the thermometer fell below freezing point, and ice of the thickness of window panes formed on the 24th inst. The frost of Newport the frost was more severe, and it is feared much fruit will be destroyed in consequence of the frost, and the state of which the blossoms were at the time. Early vegetables and such like suffered.

On Monday last Mr. Chas. Wilkins, fishery inspector at Belleville, assisted by Mr. Wm. Parkin, of the Newcastle breeding establishment, and Mr. J. H. G. John, of the fishery in the Trent and Moira rivers, all in good condition. On Tuesday the fishery in the Bay of Quinte was caught at Point Abon, to the breeding establishment, in a few days he expects to receive a lot of salmon trout, and while fish in the Bay of Quinte are in good condition.

A meeting was held at Ottawa on Wednesday evening, at which the Chief Justice of the Supreme Court presided, for the purpose of taking into consideration the subject of a National Art Gallery. The subject of the establishment of a Dominion society for the encouragement and cultivation of art was also brought before the meeting.

On the motion of Mr. Sandford Fleming, seconded by Col. Dennis, it was decided that the Chief Justice of the Supreme Court, Mr. Meredith, and Mr. Leggo be a committee to draft a constitution for the proposed society and for a school and art union to be attached thereto.

A circular is being circulated in Kings and Annapolis counties, N. S., among the descendants of Wm. Dodge and his brothers, inviting them to a social reunion to be held in Salem, Mass., on the 10th of July to celebrate the 50th anniversary of the landing of the Rev. Wm. Dodge, and to prepare a genealogical history of the family.

The circular sets forth that upon the 29th day of June, 1629, O. S. (10th July, N. S.), arrived at Salem, England, Wm. Dodge, from whom or his brother are descended all who are in the Dominion of New Brunswick, and very ancient lineage in Cheshire, England.

The long pending dispute between the St. Catharines and the City of Hamilton, in which the contractors for the works of construction has finally come to a close. Several days were consumed in the trial, and a large number of Messrs. Ferguson, Mitchell & Symmes, contractors for the reservoir and main, and Mr. D. S. Foot, engineer, and Mr. Booth \$1,000 in full settlement, and Messrs. Mitchell & Co. \$2,500. The cost of arbitration was \$1,000, and the Commission is understood, has only \$2,500 on hand, and will not long be able to continue its duties. The City Council to settle up. Mr. T. C. Kester, O. E., was referee.

Interesting Summary of News.

SWISS EMIGRATION. The Times says that in consequence of a law which has been passed in the canton of the Grisons, the Federal Council has prepared a project of law for the protection of intending emigrants.

MUSEUM AND DRUNKENNESS. Lord Thurlow, in a letter to the Times, says that in the opening on Sundays of the Birmingham Lecture and Museum, the police reports show 376 cases of drunkenness for the year.

THE ZULU CAMPAIGN. Mr. Forbes, the well-known special correspondent of the Daily News, who after describing the Afghan war, has now attached himself to Lord Chelmsford's army, sends a very discouraging account of the prospects of the campaign. He says that "the Zulu war, on our side, is only commencing in earnest; playing at invasion is over." He examines in detail the most important Lord Chelmsford's plan to invade Zululand, in two principal columns, one from the north, and the other from the west, and expresses his opinion that it is a risky one at any time, and especially so at this time, when the Zulus are in a state of high spirits, and are ready to meet any army that may be sent against them.

THE NEW CANADIAN TARIFF. "Anglo-Canadian" in a letter to the Liverpool Courant, says that the new Canadian tariff, proposed by the Government, is a very important one, and that it will have a great effect on the trade between the two countries. He says that the tariff is a very liberal one, and that it will be a great benefit to the Canadian people.

THE O'CONNOR CASE. The O'Connor case, which has been the subject of much discussion, is now before the Court. The O'Connors are a family of Irish descent, and the case is one of the most important ones that have come before the Court in many years.

EATING AN APACHE ALIVE.

The Curious Manner in which a Texas Used His Teeth—a Thrilling Story of Life in Arizona in 1858.

A few nights ago a party of young gentlemen were talking politics as usual, and Col. Blank was one of the prominent talkers. By some means the conversation finally drifted from politics to various articles of food. Each man gave his opinion in regard to the unusual things that he had endeavored to digest, and Col. Blank declared that he had eaten elephant steaks in New York, and that he had eaten a rattlesnake in the same way. He said that he had eaten a rattlesnake when it was well seasoned, and that he had eaten it with a good deal of relish. He said that he had eaten it with a good deal of relish, and that he had eaten it with a good deal of relish.

A terrible story of life in the streets of London was told at a meeting of the Phoenix Hospital, on the body of a flower girl. The mother, a widow, was sitting in the front row, and she was looking at the speaker with a look of intense interest. She was looking at the speaker with a look of intense interest, and she was looking at the speaker with a look of intense interest.

M. Migot, of Paris, has made a long communication on the subject of vine culture. He is of opinion that the vine is a very important crop, and that it should be cultivated in a more extensive manner than it is at present. He says that the vine is a very important crop, and that it should be cultivated in a more extensive manner than it is at present.

Mr. Justice Miller will retire from the Bench early in June. An influential Anti-Imperial League has been formed in England. Emigrants from Russia to Brazil are returning home in large numbers.

The Anti-Tobacco Society has petitioned the French Chamber to prohibit smoking in the streets and on the roads by youths under sixteen. The Times says that the French Emigration returns show the people of the United States are a "stay at home" nation. Only about 25,000 have left the country since 1872.

An attempt has been made to blow up the Leeds County Court. The floor was found to be defective, and the explosion would have done much damage. The British Waxed with nails and pieces of iron.

The April emigration returns show a great increase in emigration from the Mersey. The number of passengers was nearly 11,000, being 6,000 over the last year, and 4,000 over those of April in last year. A conference to consider the advisability of closing all collieries throughout the United Kingdom is to be held on Tuesday. The conference decided to sit with closed doors. About 120,000 colliers were represented. The conference decided to sit with closed doors.

The Manchester Guardian says that M. Paul Legrand, one of the Northern deputies, has placed on the table of the Chamber a resolution proposing that the Chamber should take into consideration the petition of the miners of the North asking for the establishment of a protectionist tariff. The Lord Chief Justice of Ireland has decided that the petition of the miners should be pleaded in a case where a trader on a post-card sent language towards his debtor, and in connection with an advertisement which was regarded as a libel upon the latter.

It is expected that the debate on the Indian budget will be one of the most important of the session. The whole question of the financial position of India, and especially the question of the Indian budget, is one of the most important ones that have come before the Court in many years.

The death is announced, at Pallas, County Galway, of Anthony Francis, Esq., 85 years of age, who died on the 24th inst. The deceased gentleman, who succeeded to the estate of his father, Mr. Francis, in the year 1810, was a very distinguished man, and was a member of the House of Commons. He was a member of the House of Commons, and was a member of the House of Commons.

Emigration to New Zealand has declined from about 40,000 in 1877 to 5,000 in 1878. The New Zealand Government has presented the New Zealand Government with a petition from the miners of the North asking for the establishment of a protectionist tariff. The Lord Chief Justice of Ireland has decided that the petition of the miners should be pleaded in a case where a trader on a post-card sent language towards his debtor, and in connection with an advertisement which was regarded as a libel upon the latter.
