Local and Provincial

Today and tomorrow were the days set aside for cleaning up in St. John.

Lieut. Rufus Steeves, of Sussex, N. B., first reported as missing, is now a prisoner in Germany.

J. H. Barrill, of McAdam, charged with padding C. P. R. pay lists, was sentenced to six months imprisonment.

The water was turned on for the first time this season in the fountain on Friday, after some slight repairs had been made to the basin.

While the streets were not thoroughly dry, there was much good cleaning-up done on Friday even at short notice.

The Hotel Touraine, Chatham, has been leased by Allan Mann, who for the past number of years has conducted the Albert House there.

The City Council of Moncton voted \$300 towards a provincial fund to purchase "field kitchen" outfits for the 26th Battalion.

Since the outbreak of war, as the result of efforts of the Canadian government, 30,000 settlers from the United States have taken up their homes in Canada.

The body of Daniel Jennings, a brakeman of Dartmouth, N. S., who has been missing since February 7th, was found in the ferry dock at Halifax on Wednesday morning last.

Major Percy A. Guthrie, of Fredericton, has been promoted to command the 10th Battalion at the front. Lieut. Col. Boyle, its former commander, was killed at Langemark.

Some efforts were made Friday morning to have the stores close during the afternoon, but Mayor Stothart thought it inadvisable, owing to so short a notice, and that many country people were in town.

At the meeting held in the town hall on Thursday evening last in connection with recruiting for the 55th Batt., Rev. S. J. MacArthur, among other speakers, delivered a very forceful address. It is addressed such as that delivered by Rev. Mr. MacArthur the young men in the country should hear, to make them realize how urgently they are needed at the front.

This picture represents a beautiful school garden in the Province of Quebec. Modern educationists realize that the training of the young should not be confined to books. Work in the open air is not only healthy, but stimulates the children's interest in Nature's wonderful life processes.

WHY CHILDREN

TELL UNTRUTHS

Because a child tells an untruth, he is not of necessity a liar. An apparent untruth may be told because the child is timid under examination and losing control of himself, says what he does not mean. Adults commonly do this in courts. To the child questioning is often as much dreaded as the witness chair is to an adult. Other children tell untruths because they are absent minded. It is common for them to do so, because they do not fully understand the question put to them. These facts seem simple enough, and yet if they are not recognized the child may be falsely accused of lying and his nervous system will suffer thereby.

Romance weaving is not uncommon among children, who are blessed with vivid imaginations. The difficulty is that the child has not been taught to make distinction between the truths of allegory and those of fact. The imagination is valuable, but needs early guidance, so that it will not be the master.

The desire to appear prominently before others (a dramatic instinct) is often the cause of romance weaving. Receive the statement of the child without comment and without apparent interest. When he finds that he has not an appreciative audience he will be cured of this habit. In a few instances the fault indicates some impending illness, or it may be due to lack of control, which is marked in nervous children after an acute illness. Parents should show considerable patience toward children who are apparent liars, and every effort should be made to determine whether there is a physical basis for the moral fault.

LATER—It has since been learned that Mrs. Warden did not sail from New York until the 14th inst. KITCHENER
Wants More
MEN

The 55th N. B. and P. E. I. Regiment must be recruited to full strength within ten days. Every fighting unit we can send to the front means one step nearer peace.

WHO WILL ENLIST
TO-DAY
FOR OVERSEAS SERVICE?

The 55th N. B. and P. E. I. Regiment requires from six hundred to seven hundred men. We must have seventy men a day to make up the required number within the time limit.

This Regiment is commanded by Lieut. Col. J. R. Kirkpatrick of Debec Jet, N. B., with the following staff:
Second in Command, Major H. S. Jones, Apohaqui, N. B.; Jr. Major T. C. Donald, Chatham, N. B.; Chaplain, Capt. Rev. H. E. Thomas, St. John, N. B.; Paymaster, Capt. J. D. K. McNaughton, Miramichi, N. B.; Medical Officer, Capt. A. E. Gardiner, McAdam Jet, N. B.; Adjutant, Major S. S. Wetmore, Clifton, N. B.; Quartermaster, Lieut. Kirkpatrick, St. John, N. B.

Officers commanding double companies:
A. Co., Major J. J. Bull, Woodstock, N. B.—Capt. C. E. Williams.
B. Co., Major Osborne—Capt. Woodbridge, Fredericton, N. B.
C. Co., Major F. H. Rowe, Moncton, N. B.—Capt. Campbell, Charlottetown, P. E. I.
D. Co., Major E. C. Weyman, St. John, N. B.—Capt. W. E. Forbes, Richibucto, N. B.

Recruiting officers will be found at all the principal points of New Brunswick. Men will on application be submitted to a preliminary medical examination and will be furnished at once with transportation to Sussex, where the 55th Regiment is now in camp. On reaching Sussex they will undergo the final medical examination and will if satisfactory be placed immediately upon the pay roll. The conditions are as follows:—

THE VOLUNTEERS

THE PERIOD OF ENLISTMENT is for the duration of the war and for six months after termination if required.
THE RATE OF PAY is \$1.10 per day and found for seven days a week, equal to \$33 per month.
IF DISABLED, the soldier will receive a pension at such rates as may be fixed by the Government.
IF WOUNDED OR ILL, the soldier will be well cared for and sent back to his home at the proper time.

THEIR FAMILIES

SOLDIERS MAY ASSIGN any portion of their regular pay to wives or others, and such sums will be paid regularly to the person so designated.

WIVES OF VOLUNTEERS will receive twenty dollars per month separation allowance from the Canadian Government over and above the soldiers pay.

THE PATRIOTIC FUND will supplement this with an additional allowance as described hereafter.

SHOULD ANY OF THE SOLDIERS BE KILLED their wives and children will become wards of the Canadian Government, and generous provision will be made for them.

The National Patriotic Fund Committee has decided on a basis of distribution of funds among the wives and children, and other dependents of volunteers. It is estimated that a wife on her own account requires Thirty Dollars Per Month for her maintenance. Canadian Government provides Twenty Dollars per month of this amount and the Patriotic Fund the remaining Ten Dollars, if required. Children between ten and fifteen years of age are allowed twenty-five cents per day; from five to ten years of age, fifteen cents per day; and under five years of age, ten cents per day. Thus a wife and three children of the ages of three, seven and twelve, may receive a total monthly allowance of Forty-five Dollars, of which Twenty Dollars is payable by the Canadian Government and Twenty-five Dollars by the Patriotic Fund. This is of course in addition to the Thirty-three Dollars per month paid to the soldier, and which may be assigned by him to his family.

Besides the above, provision is made for a compassionate allowance for temporary need, such as accident, sickness, etc. In short, the whole purpose of the Patriotic Fund is so to supplement the Government allowance as to provide all reasonable comfort for the families of men on service. Such provision, in each individual case, is subject to the report of local committees, who shall consider all the circumstances of families affected, with respect to the earnings of members of such families, amounts received from former employer of the soldiers, and other sources of income.

Every reasonable provision is thus made for dependent relatives, and volunteers need have no anxiety regarding the welfare of those left behind.
