## HEADACHES FOR WEEKS

They Soon Disappeared After Using Dr. Williams' Pink Pills.

Every woman, at times, finds the routine of housework irksome. But how much more difficult are the daily tasks of the home to the woman who is nervous and run-down? She prepares meals for the family but has no appetite for food. What she does eat distresses her, headaches and dizziness follow, there is a fluttering of the heart, and the complexion becomes pale. In cases of debility of this kind building up the blood is generally effective. By improving the quality of the blood and increasing its quantity, nourishment is carried to the shattered nerves. The appetite invariably improves and gradually the exhausted system is toned up and the whole outlook of life is brightened. Mrs. Geo. Grant, R.N. No. 1, Markdale, Ont., tells for the benefit of others the great benefit Dr. Williams' Pink Pills were to her in a run down condition. She says:—"If anyone can strongly recommend Dr. Williams' Pink Pills I feel I can. For over 4 years I had been troubled with my nerves; and for weeks at a time I would suffer terribly with headaches. My blood was very thin; I had no appetite; could hardly go about. I was afraid to stay alone in the house as I feared something would happen me. Finally I decided to try Dr. Williams' Pink Pills and they have made me a new woman; and I am now the picture of health. I have increased in weight, the headaches come no more; and my nerves are as good as ever they were. Before taking Dr. Williams' Pink Pills life was a burden; now I enjoy living; and I hope some other woman will take courage from my experience; for I feel sure that what this medicine did for me it can do for others. You can get these pills from any drug store or mail order house. At 50c a box, from the Dr. Williams Medicine Co., Brockville.

Bertha Potter: 22 walked out into the sunshine Wednesday for the first time in five years and told the authorities that she had lived that entire period in a potential dungeon a virtual prisoner in the hands of William Lent, 62; in the centre of the town of Bear River, Digby County. The story of the girl's life; her incarceration and her untimely release coincide with the arrest of the man in the case on a charge of seduction, bears all the earmarks of fiction but has been vouched for by special agents sent out by Hon. W. J. O'Hearn, Attorney-General for Nova Scotia. Lent has a wife living in Massachusetts.
