Injury To Trade By Rummage Sales

Hamilton, Nov. 23rd.—Rummage sales might be a very good means for churches and societies to realize funds but they are hurting the merchants of the city who contribute a large share of taxes. This was the claim put forward this afternoon at the Board of Control meeting by a deputation of merchants from Ottawa street and Kentworth Avenue headed by H. M. Savage, and a petition signed by many was also submitted. It was argued that these sales were gathering in more receipts than the merchants and that no taxes were paid for them. It was stated that some of these sales did more business in a single day than a store keeper did in one week.

New Strength For Weak Stomachs

Indigestion Disappears When the Blood is Enriched.

The urgent need of all who suffer from indigestion is a tonic to enrich the blood. Pains and distress after eating is the way the stomach shows that it is too weak to perform the work of digesting the food taken. In this condition some people foolishly resort to purgatives, but these only further aggravate the trouble.

New strength is given weak stomachs by Dr. Williams' Pink Pills because these pills enrich and purify the blood. This is the natural process of giving strength and tone to the stomach, and it accounts for the speedy relief in stomach disorders that follow the use of Dr. Williams' Pink Pills. The appetite revives; food can be taken without discomfort and the burden and pains of indigestion are dispelled. The following statement from Mr. Donald L. Latier, Lakeville, N. S., proves the value of these pills in cases of this kind. He says:—"A couple of years ago I had a bad attack of indigestion. I had little or no appetite, and what I did eat did not agree with me and caused me much pain. As a result of this trouble my general health broke down, and I finally had to give up my work. I had taken doctor's medicine but it did not give me any relief. Then a friend advised me to give Dr. Williams' Pink Pills a trial, and I got six boxes. Before I had completed the third box I found that they were helping me and by the time I had taken the six boxes every symptom of indigestion had disappeared; my general health had improved and I have since been in the very best of health. I look upon Dr. Williams' Pink Pills as a wonderful medicine for all who are run-down."

You can get these pills from your druggist, or by mail at 50 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

KING LOWERED IN ESTIMATION OF THE PEOPLE

Vancouver, Nov. 25.—Criticism of Premier MacKenzie King for retaining office after his Richmond Hill speech was voiced by Hon. W. J. Bowser, former Premier of British Columbia in addressing the annual meeting of the Vancouver Conservative Association here.

"MacKenzie King is today much lower in the estimation of the Canadian people than he was on October 29," Mr. Bowser said. "Not only has he failed to carry out his Richmond Hill declaration, but he has evaded two clear precedences—that case of Sir William Hearst, in Ontario, in 1919, who was in the same position, with the second largest group and resigned and the case of Premier Baldwin, who, in 1923 although he had the largest group in the British parliament, had resigned because he did not have a majority."

Mr. Bowser added: "We will soon have a new Premier, Rt. Hon. Arthur Meighen, and, I believe, he will appeal to the country for endorsement before July."

PRESBYTERIANS ASK FOR INJUNCTION

An appearance has been filed on behalf of the defendants at the Registrar's office, Fredericton, by the firm of Robinson & Rand, of Moncton, in the case of the Chancery Division of the Supreme Court of New Brunswick in which members of the St. James Presbyterian Church congregation of Newcastle are plaintiffs and the minister and other officers of that church are defendants.

The writ, which is now on file, shows the names of the plaintiffs who have initiated the action, as well as those who are named in the suit and it also reveals in the general endorsement of claim that the plaintiffs are asking among other things, for "an injunction to restrain the defendants from occupying, using and enjoying the said Church and church buildings, lands and premises, emoluments, rents and profits, trust funds and other assets of the said Saint James Presbyterian Church."

It is not yet known how soon the case will reach trial, but it is understood that there is to be no delay in the matter.

The parties to the suit are set forth in the writ as follows: John Ferguson, James G. Balsley, William A. McMaster and Walter J. Sutherland, as well for all persons having the same interest, to wit: All communicants, pew holders and adherents of Saint James Presbyterian Church at Newcastle not concurring in or agreeing to Church Union under the acts hereinafter mentioned as for themselves. Plaintiffs; and Lachlan H. MacLean, then Moderator of Sessions and Minister of the Saint James Presbyterian Church in Newcastle, G. Gilmour Stothart, then Clerk of Sessions and Treasurer of the Board of Trustees of the said Church, James M. Troy then chairman of said Board of Trustees of said Church, Allan A. MacTavish then Member of Sessions and Secretary of the Board of Trustees of said Church, John Russell then Financial Secretary of the Board of Trustees of said Church, James Stables then Chairman of Church and Graveyard Committee of said Church, David Match then Chairman of the Lands Committee of said Church as well as personally as in their respective official capacities, defendants.

The writ is endorsed as served by Sheriff W. A. Skidd, of Northumberland County on November 21st. The General Endorsement of Claim reads as follows:

1. The setting aside of a certain alleged vote taken on or about the twenty-ninth day of June, A. D. 1925, in reference to Saint James Presbyterian Church, Newcastle and purporting to have been taken under the provisions of Chapter 59 of the Acts of the Legislative Assembly of New Brunswick, 1924.
2. The setting aside of a certain other alleged vote taken between the twenty-fifth day of July and the twelfth day of August, A. D., 1925, in reference to the said Saint James Presbyterian Church, Newcastle, and purporting to have been taken under the provisions of Chapter 100 of the Statutes of Canada, 1924.
3. A declaration as to the rights of the Plaintiffs in the property and assets of the said Saint James Presbyterian Church, Newcastle.
4. The prevention of waste thereto and the protection of the said property.
5. Having an account taken of all the property and assets, receipts and expenditures during the last six years and for a mandamus commanding the defendants to see and enjoy the Church and Church buildings, lands and premises, emoluments, rents and profits, trust funds and other assets of the said Saint James Presbyterian Church.
6. And for such other relief as to the Court may seem just and equitable in the premises.

And for an injunction to restrain the defendants from occupying, using and enjoying the said Church and

Here and There

British Columbia's whaling industry produces about 400 tons of whale bone meal and 900 tons of meat and blood for fertilizing purposes annually. This is exported mostly to the United States.

According to G. F. Tomsett, superintendent of the Saskatchewan Branch of the Employment Service of Canada, about 45,000 harvest hands were brought into Saskatchewan and distributed over the province to harvest and thresh the 1925 crop.

J. Stapleton, of Regina, ordered two springer spaniel puppies from a dog agent in Liverpool on October 9th. Thirty days later they were delivered to him after a voyage and journey totalling 4,500 miles, the shipment going at the rate of 150 miles a day. This constitutes a record for speed.

Constituting a record for Canada and probably for the world, 3,447,624 bushels of all grains were marketed on the lines of the Canadian Pacific Railway in Western Canada on November 19. The nearest approach to this figure was the 3,400,000 bushels marketed on October 18, 1915, in the year of one of the greatest crops the Dominion has ever harvested.

Reports received at Canadian Pacific Railway headquarters this week show that four more accidents occurred in cases where motorists drove their cars into trains already in the process of crossing levels. This brings the total of accidents of this kind up to thirty for the year. In all four cases the automobiles were damaged while the motorists escaped with minor injuries.

Eighty-seven black foxes, valued at about \$100,000, shipped in 44 crates, arrived at Montreal last week from Buffalo. Twenty-five of the animals were prize-winners at the Black Fox Exhibition which concluded last week, and were on consignment to the Borestone Mountain Fox Ranch at Onawa, Maine.

The Far East has heard about Canadian apples. The Canadian Pacific liner Empress of Asia carried 8,000 boxes of apples when clearing out of Vancouver last week. General trade conditions between Canada and the Far East are quite healthy as there was also on board the vessel 800 tons of Canadian flour, 100 automobiles and 160 tons of Alberta beef.

With each succeeding year Great Britain is relying more upon British colonies for agricultural supplies. In the seven months of 1925 ending July, Canada supplied Great Britain with 4,927,266 pounds of butter, compared with 154,224 pounds for the same period of 1924, and 40,458,544 pounds of cheese, compared to 20,153,504 pounds for the same period of last year.

Two bears, six coyotes and fifteen chipmunks were shipped to England on the Canadian Pacific liner Montclair last week from the Toronto Zoo to the London Zoo. In exchange, the Curator of these gardens has been asked to supply Toronto with Caracaras, Beas, Magellans and bar-headed geese; shell ducks; a female Comb Duck; two Rheas (ostriches); four Jays; two young leopards; and a Barbary Sheep. A stiff order.

Six champion juvenile swine breeders, winners in Manitoba, Saskatchewan and Alberta, have been awarded medals and trophies by the Canadian Pacific Railway and are now the guests of the latter at the Royal Winter Fair at Toronto. The young people, who competed in clubs on Canadian Pacific lines in the West are: Vern Johnson and Oscar Gudhagen, Alberta; Leone Joynt and Fred Angus, Brandon, Saskatchewan; Monte Cormack and Grace Ryan, Keston, Manitoba.

Ex-Kaiser To Get Enormous Wealth

Former Kaiser Wilhelm is about to become the richest woodchopper in the world and one of the richest men in Europe—all through the generosity of the Prussian government.

A contract has been drawn by the government and approved by Wilhelm whereby he would receive 30,000,000 marks, approximately \$7,200,000 in cash and immense properties in settlement of his claims for Hohenzollern property sequestered after the revolution. About the only things to which he had been accustomed that the former Kaiser would have to do without if the contract were consummated would be an army and navy. There would be money enough for all gold lace uniforms, couriers and pomp of the palmiest days before 1918.

A special meeting of the Saint John Presbytery of the Presbyterian Church of Canada sustained a call to Rev. A. G. W. Black, formerly of Fort Kent, Me., from St. Paul Church Woodstock. His induction takes place on December 9th.

Another call came from Moncton in favor of Rev. R. M. Stevenson, of Stornoway, in the Presbytery of Lewis, Scotland. This call was largely signed and carried a stipend of \$2,500 with one month's vacation. Mr. Stevenson has also accepted and his induction will take place on Dec 10th.
