Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. IF KIDNEYS ACT BAD TAKE SALTS

Say Backache is sign you have been eating too much meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to clean and stimulate slugggish kidneys, also to neutralize acids in the urine so it no longer irritates thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

SWARMING INTO PALESTINE

Hope That Great Britain Will Accept Mandate For That Country.

NEW YORK, Dec. 29.— A great tide of emigration is sweeping into Palestine, influenced by the conviction that Great Britain will shortly accept a mandate for the Holy Land and that the dream of a national home for the Jews is about to be realized, according to cable advices received by the Zionists, which was scheduled to be held at Basle in January 18, has been postponed in view of the "assured possibility of immediate negotiation for the mandate over Palestine."

At the same time a London cable message received by the Jewish Morning Journal of this city stated that peace negotiations with Turkey would open shortly after the New Year and that the British delegates would be Premier Lloyd George, Lord Curzon and Arthur J. Balfour, all three of whom have publicly declared their sympathy with the Zionist movement. In view of this possibility, the Greater Actions Committee of the Zionist organization has been summoned to meet as soon as possible in London to cope with what is termed the acute problem of restraining wholesale emigration to Palestine.

In a message sent to Judge Julian W. Mack, president of the American Zionist body, S. Levin, Zionist executive at London, says the situation in South Russia and Constantinople "is so strained that the leaders of the organization have no longer any power to hold back the stream of emigration. Mr. Levin reported that the crowds of fugitives are swarming uninterruptedly into Constantinople from the surrounding countries on their way to Palestine and are disregarding all barriers.
