HURON SIGNAL.

The Reciprocity Novement.

The agitation among the New England manufacturers for the repeal of the duties on coal and iron ore is gaining strength every day. The Massachusetts weavers of woollen and worsted yarns have chimed in—at least already over one-third of them have done so—with a strength every day.

The Moved by Nicholson, seconded by Colborne, that the change be made from 2,000 c.p. to 1.000 c.p.

Moved in amendment by Holt, second-ed by Pridham, that the proposed change in the electric light system be made and that the water and electric light committee be authorized to accept the offer of the Reliance Electric Light were subsequently celebrated with joy and merriment; and Mrs Lucy C. Lillie, in "Captain Brooke's Prejudice," relates the story of a caprice and its consequenting of citizens, was read the story of a caprice and its consequenting of citizens, was read the story of a caprice and its consequenting of citizens, was read the story of a caprice and its consequenting of citizens, was read to the consequenting of citizens, was read to the consequenting of citizens, was read to the consequenting of consequenting of citizens, was read to the consequentin one-third of them have done so-with a the story of a caprice and its consequenraw wool. Mr Saank, the statistician articles and illustrations will also be of the Iron and Steel Association of Pennsylvania, a protectionist organization, tries to make it appear that the Norton, of Harvard University, presents visional directors therein named for their repeal of these duties would be of no a paper upon "The Building of the service to the manufacturers, inasmuch Church of St. Denis," involving an insoke or iron even if they got them for nothing." This absurd assertion leads the Boston Herald to retort that items of Gothic architecture. W. W. T. case there is no necessity at all for excluding those Canadian products, and of "Recent Progress in Surgery," show-the duties upon them might as well be ing the marvellous advance that has The manufacturers, who may be supposed to know their own bumany illustrations emphasizing Theodore to mance committee: D.
