HAVEN'T YOU HEARD THEM ASK WHO'S THAT?

You have noticed that all politicians and public men
generally find, sooner or later, their Portraits repro-
duced in the daily papers or in some publication. It
therefore behoves you to see that you always have on
hand a recent good Portrait of yourself. Don't say to
yourself, Oh, this old one will do.

Let us make a new, good Portrait of you for this
purpose.

The Almanac of 1913 and Others.

WHITTAKER'S ALMANAC needs no introduction to the homes, busi-
ness and legal firms, Government institutions and clubs of Newfoundland.
Its fame is far wider and its information more general than that of any
other "Annual" in the English-speaking world. The publishers have for
1913, at the suggestion and with the assistance of a large number of peo-
ple outside of Great Britain, prepared The New International Whittaker,
which provides information concerning every country on a uniform meth-
od, so that one may know just where to look for the particular subject
or point desired. The International is a book of 500 pages, chock full of
accurate information, largely contributed by responsible British, Colonial
and Foreign Government officials. An index of forty pages gives it addi-
tional value as a book of reference. This Almanac appeals to the intelli-
gence of every man and woman in Nfld. Strong set back, imitation Cal-
pas cover, 60c. by mail, 65c. When ordering enclose \$1.00 and receive the
Whittaker Almanac, Newfoundland Year Book for 1913 and an attractive
Wall Calendar, worth from 10c. to 40c. All orders filled in rotation as
received.
