Dear Sir,  
We beg to draw your attention to the advantages offered, both  
in the way of security and privacy, by our Safety Deposit system  
which has recently been installed in our vault. The system is the  
most modern and complete that is known, and is deposited in a  
vault of exceptional strength and safety. The boxes are individ-  
ual and can only be opened with the joint aid of the key in the  
possession of the Company and of that in the custody of the cus-  
tomer. They are of solid metal and are arranged in nests of  
fifty, so that no box can be removed from the vault separately  
from the rest.

The boxes are rented at \$4.00, \$5.00 up to \$20.00 a year, ac-  
cording to size.

An inspection of the installation is invited.
