Well, it is to me, but it might not line." "There were several between Octobe if you do not make such long Bennett asked why in view of this ber 7 and the opening of the legislaspeeches."

"Well, it is to me, but it might not like.

Bennett asked why in view of this speeches."

"Who did the dickering between the long speeches as you, Mr. Bennett." Nest specifications.

The premier admitted having seen "We mostly decided to use the Clarke in Toronto in the Queen's hotel Crow's Nest specifications at the meetdid not announce at any cabinet meet- the standard." A Short Examination

"I just want to ask one question," said Mr. P. J. Nolan, counsel for Mr. Rutherford: "The resolutions were proposed by you and seconded by Mr. Cushing. Were they signed by him?" "I am not prepared to say as to "Mr. Mann did not want anything that."

"When you went to the hospital with the resolutions did Mr. Cushing have an opportunity to read them?"

"Quite so. I will not say he read them, but he was aware what they were."

"Pressed further by Bennett the witness said he supposed the C. N. R. main line between Edmonton and Winnipeg and the Crow's Nest line were were." were."

The Proceedings Began. "That's it. You did not know what was going on?"

"The matters all came before the Rutherford went on the stand again any many months before the legislating morning but before giving his ure ever met that the fish plates altestimony Mr. Walsh-announced that lowed in the Crow's Nest line are out in conversation with Cecil Goddard the 'I know of none."

"Did you ask for a report from any engineer, government or otherwise, on the documents signed October 7?"

I know of course for a report from any engineer, government or otherwise, on the documents signed October 7?"

The Proceedings Degan.

"How do you explain the fact that was in that letter in January many months before the legislations and with Crow's Nest line are out of date and that le had not built the last that the fish plates altestimony Mr. Walsh-announced that lowed in the Crow's Nest line are out of date and that le had not built the last he had a number of documents crow's Nest specifications and don't in his possession which should be made you know that the old Crow's Nest line subject to the inspection of counsel for the legislation. subject to the inspection of counsel for is no longer in operation?"
the commission. He said further that Put briefly the premier did not H. E. GILLIS.

"Then the whole matter was closed Mr. Goddard had told him that a num-answer the question. He said again Calgary, May 12th, 1910. 4087-142 October 7 without dissent or discus- ber of the letters were of a confident that the cabinet regarded the Crow's tial nature and should have been des- Nest specifications as standard and "There was no one blind as to what troyed. "Oh, I was informed. I had studied what had been done in the other matters."

"I suppose you knew as much as you do now," retorted Bennett.

"The premier said that at the first meeting between him and Clarke and Bowen. Clarke had signified the including the progress of the legislative session. Asked how the length was arrived at he said Mr. "Yes, I believe the bond and the mortgages."

"What time in the evening?"

"Who was there?"

"Inspector Willis, manager of the including the progress of the legislative session. Asked how the length was arrived at he said Mr. "Who was there?"

"Inspector Willis, manager of the including the progress of the legislative session. Asked how the length was arrived at he said Mr. "Who was there?"

"The premier said that at the first mortgages."

"At 8 or 9 o'clock."

"The premier said that at the first mortgages."

"At 8 or 9 o'clock."

"The premier said that at the first mortgages."

"At 8 or 9 o'clock."

"The premier said that at the first including the progress of the legislative session. Asked how the length was arrived at he said Mr. "At 8 or 9 o'clock."

"Who was there?"

"Inspector Willis, manager of the traders Bank, W. R. Clarke, Mr. Woods, Mr. Minty and Mr. Fisher, so-legislative session. Asked how the length was arrived at he said Mr. "At 8 or 9 o'clock."

"Why is he not here?"
"My counsel announced at the opento base your order in council for 350 "The order had to be passed so that

onds could be sold." "But why could not the order have been delayed until the distance was positively ascertained?" asked Justice Harvey.

The answer of the witness was vague and without meaning. He said the onds of the G. T. P. and C. N. R. were guaranteed at the same session. He was asked by Bennett to explain why there was a difference between the three roads in favor of the A. & G. W.. Bennett pointed out that the C. N. R. and G. T. P. are old estab-

ished lines, the G. T. P. branch lines having a fully paid up capital of \$50,-Then he showed that the G. T. P. branch was in a settled territory and that it had been guaranteed for \$520 per mile per annum. Bennett tried to prevail upon the witness to admit the country through which the A. & G. W. is to pass is sparsely settled but the witness did not

deny that there are not more than 500 people between Edmonton and Mc-The witness was asked how in view of this fact the road had been guaranteed for \$1,000 per mile per annum, and he replied that he believed the road would soon be a well paying proposition because of the timber and miner-

al resources and the incoming of home-Bennett showed how the C. N. R towards Athabasca Landing had be guaranteed for only \$13,000 per mile for the first 50 miles and \$20,000 for each additional mile with interest at four per cent, and wanted to know why the same policy had not been pursued in regard to the A. & G. W. "Mr. Mann is in the habit of asking for all that is necessary isn't he?" h

asked. Value of Jack Pine The premier explained that the C. N. R. and C. P. R. had not done any railway construction into the north country and the guarantee of \$20,000 a mile to the A. & G. W. was considered jus-tifiable to a railroad into the north. ennett wanted to know why the gov-rnment had given the A. & G. W. a guarantee of \$1,000 per mile per annum, while the C. N. R. for its western extension was given \$13,000 for the first 50 miles and \$25,000 for the remaining miles at 3 1-2 per cent. interest

You Want to Buy or Sell Anything, Insert a Classified Ad in the Albertan-- It Will Quickly Find a Buyer or Seller for You advised by his counsel not to come."

"Do you mean to say that Mr. Cushing was at the meeting in the Alberta hotel?"

"Yes."

"Mr. Cushing told me today that he was not, and that the first he heard of it was in the newspapers yester-day."

which amounted to only \$875 per mile per annum. In his answer to these questions the premier made the surprising statement that the A. & G. W. through Jack pine and muskeg would probably pay better than the C. N. R. through a prairie country. Bennett asked why better country, asked why better country than the granted Clarke, the promoter than the established railroads?

"A gentleman whom we considered

"What is a promoter?" asked the

"He was no more of a promoter than MacKenzie and Mann when they started the C. N. R.," answered the witness bers absent, I constitute the council so far as that goes. There was no summoning of the council and none summoning of the council and none from men in the field there.
