know a woman's trials.

know her need of sympathy and help.
f you, my sister, are unhappy because of ill-health, and feel unfit for household duties, social pleasures, or daily employment, write and tell me just how you suffer, and ask for my free ten days trial of a home treatment suited to your health, strength, and happiness by i use. I want to tell you all about this suc cessful method of home treatment for yourself, my reader, for your daughter your sister, or your mother. I want to tel you how to cure yourselves at home a Ien cannot understand wom ings; what we women know from experience, we know better than any doctor and thousands have proved there is hop even for the hopeless in my

even for the hopeless in my method of home treatment. If you suffer from pain in the head, back, or bowels, feeling of weight and dragging-down sensations, failing or displacement of internal organs, bladder irritation with frequent urination, obstinate constipation or piles, pain in the sides regularly or irregularly, bloating or unnatural enlargements, catarrhal conditions, dyspepsia, extreme nervousness, depressed spirits, melancholy, desire to cry, fear of something evil about to happen, creeping feeling up the spine, palpitation, hot flashes, weariness, sallow complexion, with dark circles under the eyes, pain in the left breast or a general feeling that life is not worth living, I invite you to send today for my complete ten days' treationt entirely free and postpaid, to prove to yourself that these ailments can be easily and surely conquered at your own home, without the expense of hospital treatment, or the dangers of an operation. Women everywhere are escaping the surgeon's knife by knowing of my simple method of home treatment, and when you are cured, my sister, I shall only ask you to pass the good word along to some other sufferer. My home treatment is for all—young or old. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures green-sickness (chlorosis), irregularities, headaches, and lassitude in young women, and restores them to plumpness and health. Tell me if you are worried about your daughter. Remember it costs you nothing to give my method of home treatment a complete ten days' trial, and if you wish to continue, it costs only a few cents a week to do so, and it does not interfere with one's daily work. Is health worth asking for? Then accept my generous offer, write for return mail: To save time you can cut out this offer, mark the places that tell your feelings, and return to me. Write and ask for the free treatment today, as you may not see this offer again. Address:
