THERE HAS NOT BEEN SUCH A SAFE opportunity to make money in wheat at any time during the past twenty-five years as there is now. I can make from three bundred to five hundred per cent. on any amount of capital during next twelve months, by trading in wheat by my mathematical rules. If you desire to make money, call and see me.

Further discussion of the conference will probably be devoted to matters whose solution will be of permanent advantage, and toward aims that will seek to make a place for silver rather than to increase its production. While the advance of yesterday was attributed to the news of the death of Gould at trace graphship in a of the death of Gould, it was probably in a measure a reaction from the low prices ruling at the culmination of the bear movement. At the moment there are so many disturbing and the moment there are so many disturbing and influential causes at work that it would be impossible to predict with any certainty the prospect for the coming week. In general business is showing improvement and money becoming more plentiful, but at a critical period when great powers are dealing with the silver question. It is what they will do will doubtless have a controlling influence, and every feature of their proceedings will produce fluctuations in the of the repeal of the Sherman Purchase Act seems to be growing, and as this becomes more evident and works out its desire, the bulls will

London, Dec. 4.-Latest discount quotations vesterday were 2 for three months and 11/6 for short. Rates were firm at the beginning of the week, but relapsed largely owing to banks re-paying some loans to the market. Business on judge are of the opinion that a continuance of the recert violent changes of government will have a serious effect upon the trade of France, which has not been in a flourishing condition for a long time. Unless the outlook improves soon failures in many quarters are inevitable. International funds showed a slight upward movement. Credit Foncier closed 26½ lower, owing to criticisms in the Chamber, shaking the confidence of share. the Chamber shaking the confidence of share holders. Suez Canal was slightly higher. Rio Pinto closed at 410. Railways show an average decline of 10 f. At Berlin prices on the Boers during the past week were firm, especially in case of foreign securities, and the movements were only fractional. Iron and coal shares were is what they will do will doubtless have a controlling influence, and every feature of their proceedings will produce fluctuations in the market. In the meantime sentiment in favor past week. International funds were quiet, Hungarian gold rentes close at 96; Austrian credit at 237, and Austrian gold rentes at 98.

EAST BUFFALO. East Buffalo. New York, Dec. 3—Sheep and lambs—With fairly lioeral receipts for the closing day of the week-25 full loads of Canada lambs and seven loads of western lambs and sheep—the market with a good demand from order buyers and Haller & Co., and orders also from the New York butchers' representations ruled fairly active, and in Canadas and in the best of the offerings in native sheep and lambs at full strong yesterday's prices to 10c advance, and at the advance the stock on sale generally changed hands. the stock on sale generally changed hands, while, with a light supply of common and cull stuff, prices on that class of stock was at full strong prices of the last few days. The New strong prices of the last few days. The New York market reports do not warrant as strong prices for speculative buying as rule here to-day the markets being quoted slow at both Sixtieth street and Jersey City, with best lambs at \$6.25, and the prospects are that, with anything like a liberal supply of stock for sale on the market, prices will go lower. Canada lambs sold at \$5.80 to \$5.91; one load of tops at \$5.95; mediums at \$5.65 to \$5.75; good 65 to 78-pound native lambs, \$5.5) to \$6; good to b st 89-pound, \$5.65 to \$5.95; good 9J-pound sheep, \$4.40 to \$4.50. pound, \$5.65 \$4.40 to \$4.50. Saturday, Dec. 3rd, 1892. There was a large market to-day, not withstanding the bad roads. A considerable number of loads of grain came for ward.

Wheat remained at \$1.06 to \$1.10 per Oats were firm, at 88 to 92 cents per cwt.

Peas with short deliveries sold at 95 to \$1.05 per cental, The glut of beef still continues, and today a large quantity was offered, and prices ranged from \$4 to \$5.50 per cwt. Pork took a sudden rise to \$6.75 per cwt., with a keen demand at this price. There should be money in hogs at this

price, considering the price of wheat at 50 cents for frozen Manitoba, and at the highest 63 cents a bushel here. The poultry supply was large, and turkeys had a ready sale at 9 to 10 cents a pound

Ducks and geese sold at our tabular quotations. In dairy produce butter was firm, at 22 to 23 cents a pound for best roll and 21 cents for creek.

Eggs had a ready sale, at 20 to 25 cents but hard work. a dozen. Potatoes had a ready sale at 90 cents to

\$1 a bag, and there was a scarce supply at this price. Swede turnips sold readily at 35 cents a bag, and other vegetables at our tabular

quotations. Apples were in large supply, at \$1.50 to \$2,25 per bbl., and some very fine Fameuse, or snow, were offered at the latter price.

Hay was plentiful, at \$7 to \$8 a ton. A great number of the loads were waterlogged, and evidently had been kept out in the rain last night in order to weigh more.

NOTHING LIKE THEM ON EARTH. They produce a natural fresh pink color on the cheeks and lips. The most remarkable and the most perfect of all health giving remedies. The greatest of all flesh formers. They purify, enrich and strengthen the blood. The only safe, sure and certain remedy for all those distressing complaints so peculiar to the female sex. They act promptly on the relaxed mucous membrane of the digestive canal, and in this way restore its functions. Pale people using these pills rapidly acquire a beautiful, clear and health ful appearance.
