## McINNES VS. MILLS.

Mr. W. B. McInnes, the Liberal can- along gone where the wheel carries him. didate for the Vancouver Island District, Now, Sir Richard Cartwright does not so will have to admit that every statedidate for the Vancouver Island District, at the meeting in Saanich on Saturday leave the country in any doubt as to evening said: "It is absurd to say that what the trade policy of the Liberal Gov- true to the letter. Here it is: the Catholics of Manitoba had any right ernment will be if this Dominion is ever to separate schools by treaty." afflicted with a Liberal Government. In

Fortunately, the Hon. David Mills, in the early part of the late session of Parhis exceedingly able speech on the Re- liament he said: medial Bill, dealt with this very objec-"It is not merely the policy, but the fixed determination of the Liberal party tion. He said: 1

"Let us examine more closely the in the Dominion of Canada to overthrow Manitoba case and see how the question this system (the National Policy) stands. I pass by the so-called bills of at all hazards, and after very full deliberation they have come to the conclusion rights." [These are the bills to which Mr. McInnes attaches so much importthat the best and probably the really only available method which presents itdiscussion whether the bill of rights No. 4 was genuine or whether it was "It matters very little in this TRADE or unrestricted reciprocity with spurious. Those who insist that there

the United States." was a fourth bill were those who had The Liberal platform, which used to the best opportunity of knowing; and so I can see no reason for disputing the be in every number of Mr. Templeman's correctness of the statement so explicitly made by one of the parties. What is We denounce the principle of protecthe object of decrying the existence of tion as radically unsound and unjust to third bill presented separate schools the masses of the people, and we declare this fourth bill? It is because in the were not mentioned, and it is assumed our conviction that any tariff changes based on that principle must fail to afthat if the fourth bill is spurious there ford any substantial relief from the buris no compact with respect to schools. dens under which the country labors. No line of argument could be well more Yet, in the face of the emphatic declapreposterous. One might as well argue

We may say in passing that it does not better. Such a claim was their proper We may say in passing that it does not say much for a young man whose knowl-edge of the subject must necessarily be limited to speak in this way of a venerable dignitary of the Roman Catholic to give extravagant credit to the Conchurch, and one, too, who rests in the servative party. They declared that the Dominion was distressed, starving silent tomb. In this, also, it is to be oband a failure. The common sense served Mr. McInnes differs with the the people knew that it was rot, and Hon. David Mills. That gentleman, judged that a party whose leaders had who had studied the subject deeply and so little brains as to shout what way was Backward Spring - Snow on the really liable to ruin Canada if anything carefully, does not accuse the late Archcould, had best be kept out of power. So, in election after election, the Conserbishop Tache or any one else of "fraud." He says: "Those who insist that there vatives claimed and received extravawas a fourth bill of rights were those gant credit as the sole party which who had the best opportunity of know-ing; and so I can see no recease in diing; and so I can see no reason in dis- after victory on the head of it." disputing the correctness of the state- What the Journal says of the policy of

ment so explicitly made by one of the the Liberal party is also true. That meeting of the Epworth League opens celebration on Saturday, the 23rd inst. parties." In expressing himself in this policy has ever been obstructive. The to-morrow in this city. way Mr. Mills, besides being charitable Grits have really been the mossbacks

What have the Opposition to the

Dominion Government done that they should secure public approval? 1. They opposed the purchase of the

Northwest Territories for \$1,500,000. 2. They opposed the construction the Canadian Pacific Railway. 3. They opposed the construction

the Grand Trunk Railway, by opposing the public aid given to that enterprise. 4. They left our market open, while in power, to the American farmers, while their markets were closed to us. 5. They advocated in opposition

Commercial Union with the United States 6. They were ready and anxious to

discriminate against Great Britain. 7. They increased our taxes while in power three millions a year. 8. They taxed tea and coffee that every

man uses 9. They increased our debt \$40,000,000 and left nothing to show for it but a his-

tory of deficits. 10. They increased the superannuation

expenditure four times as fast as have the Conservatives. 11. While preaching purity they have practised the most open-faced corrup-

preposterous. One might as well argue that nothing contained in the treaty could be regarded as part of the treaty in the diplomatic in the tiberal platform Mr Temselves to be demagogues. The above, it seems to us, are twelve good reasons why these gentlemen should be kept out of power.
