DOUBLE HEADER

On Friday night there will be a double header played at the Campbellton rink, when the Newcastle "Fair Sex" play the Campbellton "Princess Pats". Immediately after this game the Campbellton Vics will play the Newcastle hockey team, and good games are certain. Those who saw the ladies in last week's game against Fredericton will know that the ladies game will be worth the admission price alone.

The ladies game will start at 7:45 prompt, and as a special treat the Newcastle Brass Band will be in attendance. This will add much to the enjoyment of the skaters and a bumper house should be the result of the hockeyists endeavors.

BARBERIE-MORTON

A quiet but pretty wedding was solemnized in Christ Church on Wednesday, Mar. 3rd, when John Barberie and Miss Elizabeth McNeill Morton, both of Campbellton, were united in marriage by the Rector, Rev. J. E. Purdie. Mr. and Mrs. Barberie left this morning on the Maritime Express for a short honeymoon.

CITY TRAINING SCHOOL

On Monday night in the school-room of the Baptist church, there will be a session of the City Training School. Rev. J. W. Miller is expected to lecture and Training Classes will meet at the close of first period. The number now attending is large. Others are expected.

MEETING TONIGHT

Rev. W. J. Smith, Field Secy. of Evangelism and Social Reform will speak in the school-room of the Methodist church tonight. All should hear him. A splendid speaker and a good cause. Offering for the Department will be taken.

GOOD SUGGESTION TO CAMPBELLTON PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Campbellton agents for Adler-ika. A. McC. McDonald, druggist.

REWARD OFFERED

Mr. Hugh A. Carr, solicitor of the estate, is offering a reward of \$50 for the finding of the body of John Dawson, who disappeared up the river on or about the 15th of November 1914.

ESTATE PROBATED

The estate of the late Allen K. Thomson was probated this week and the accounts were passed. Mr. Hugh A. Carr is proctor.

CANADIAN JUBILEE SINGERS

The Canadian Jubilee Singers under contract to appear in the Methodist church here Saturday night, through a mistake in time, will not arrive in time for concert on Saturday night, but will give a service of Sacred Songs and Anthems in the Methodist church on Sunday night, beginning at 8 o'clock. The time is designed to accommodate those attending other churches. In this company of six colored singers is the great Negro Basso Gerard Miller and in the programme are Duets, Trios, Quartettes and Choruses. The company is well-known, having behind them "thirty-five years of continuous success". A silver collection will be taken at the service, and it should be as liberal as possible, as the company is singing here at a financial loss and receive only 60 per cent of the offering.

Des Moines, the capital city of Iowa, wiped out all of its other than eighty liquor licenses the other day. The traffic marshalled its full strength in its own defence. But it failed.

MARRIED AT BLACK LANDS

An interesting matrimonial event took place at Black Lands, on Feb. 25, when Miss Annie M. McNair, nurse graduate of Lowell Hospital, U. S., was united in marriage to James McNair of Nashes Creek. The ceremony was performed by Rev. F. L. Jobb of New Mills. The bride was given away by her brother, P. E. McNair, in the presence of a few relatives and friends. She looked very pretty in a white French crepe dress with satin and rhinestone trimmings. After the ceremony and congratulations, a bounteous repast was served in the dining-room of the home. The bride who is deservedly popular, was the recipient of many presents consisting, in part, of envelopes containing gold and bills. The happy couple will reside in their pretty new home at the Creek.

RECOVERING

The friends of Mr. E. E. Shirley will be glad to hear that he is making good progress toward recovery from his attack of pneumonia.

The New 1915 Maxwell is the biggest automobile value ever offered for less than \$1,400. Our production of 60,000 cars makes the new price of \$925 fully equipped (with 17 new features) possible.

Here are the 17 New Features

1. Pure stream-line body.
2. Adjustable front seat.
3. Simms high-tension magneto.
4. Three-quarter elliptic rear springs.
5. Tire brackets on rear.
6. Spring tension fan.
7. Kingston carburetor.
8. Clear-vision wind shield.
9. Mohair top.
10. Concealed door hinges.
11. Gasoline tank located under dash cowl.
12. Crown fenders with all rivets concealed.
13. Head lights braced by rod running between lamps.
14. Famous make of anti-skid tires on rear wheels.
15. Gracefully rounded, double-shell radiator equipped with shock absorbing device.
16. Instrument board, carrying speedometer, carburetor adjustment, and gasoline filler.
17. Improved steering gear; spark and throttle control on quadrant under steering wheel; electric horn button mounted on end of quadrant.

Automobile experts have refused to believe that anyone could produce a full-grown five-passenger really beautifully equipped car—a car with real high-tension magneto—a car with sliding gear transmission—left-hand drive center control, a car with practically every high-priced car feature for less than \$1,400.

Here it is! Here is a real automobile. Here is the easiest car to drive in the world—here is the greatest all-around hill climbing car in the world. Here is an automobile to be really proud of.
