LEARN TO SAVE MONEY.

Banking Merely a Dollar a Week is a Good Investment.

"It is mighty hard," said an unfortunate workingman some time ago to the writer, "to save up a thousand dollars by laying aside a dollar or two a week and then to take it out of the savings bank and lose it to a get rich quick swindler, as I have just done."

The poor fellow could work and save. but he had not had even a kindergarten education in finance, else his story would have been different. He had never given a thought to interest and so was absolutely ignorant of growth through compound interest and, of course, had never heard of that won-derful process of accumulation known as "progressive compound interest."

One dollar deposited in a savings

bank that pays 4 per cent will amount to \$2.19 in twenty years. This is sim-ple compound interest. Now, if you deposit \$1 every year for twenty years, or \$20 in all, the sum to your credit

will have grown to \$30.97. Any wage earner can put by \$1 a week. That money deposited in a savings bank for twenty years will have increased to \$1,612. A deposit of \$5 a week will have grown to \$8,000, and this at 4 per cent will be \$320 a year, There is no secret, no mystery, about this. It is as clear as the cloudless and the method is just as clean

HOW THINGS DO CHANGE!

Modern Improvements In the Lifetime of One Observer.

In the American Magazine Irvin S. Cobb has an article entitled "Looking Both Ways From Forty," in which he

"I've seen the Kansas cyclone find a worthy successor in Billy Sunday. I was present on the spot, so to speak, when the audible celluloid cuff, E. P. Roe, the pug dog, the congress gaiter, the hammer gun, the safety bicycle, the mustache cup, parchesi, the catcher who took 'em off the bat with his bare hands, the peach kernel watch charm, the pousse cafe, the operation for dehorning the human appendix and the Dowie movement gave way, inch by inch, to the spitball, the automatic ejector, the rest cure, the cold storage egg, Henry Ford, the cabaret, Orville and Wilbur Wright, eat-and-grow-thin, pay-and-grow-thinner, rural free delivery, the imported Scotch niblick, Elinor Glyn, middling meat at 42 cents a pound and stewed prunes at 4 bits a

"And if I have luck I shall no doubt be an eyewitness to the fading away of these things into the background of the past and the oncoming of yet more timely evidences of the onward and upward march of progress, following along, one behind the other, in a

Warding Off Old Age.

A famous French general when asked low it was that he had such an erect carriage replied that it was because he bent over and touched the floor with his fingers thirty times every day. If he had acquired rigidity of the spine so that he could not do that he would have had with it weak abdominal muscles, which result in portal congestion.
This portal congestion interferes with stomach digestion and with the action of the liver. The poison destroying power of the liver is lessened, autointoxication results, and arteriosclerosis and old age come on at a much earlier day. But by keeping the spine flexible and the abdominal muscles strong and taut the portal circulation is kept free and old age is held off.

Kid Gloves and Paper Collars. The Twelfth corps of the Army of the Potomac was named "kid gloves and paper collars" by the Fourteenth corps of the Western army, owing to the West Point discipline of the Twelfth corps, which was the natural result of having been commanded first by Mansfield and then by Slocum, with as subordinate commanders such men as Williams, Hamilton, Gordon, Ruger, Andrews, Hawley and others.

A Woman's - Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life-five years ago. I always had a headache and back-ache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and, am in better health and no more troubled with the aches and pains I had before I took your won-derful remedy. I recommend it to my friends for I derful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. George A. Dunbar, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. Kissling, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

A Simple and Cheap Medicine. A simple, cheap and effective medicine is something to be desired. There is no medicine so effective a regulator of the digestive system as Parmelee's Vegetable Pills. They are simple, they are cheap, they can be got anywhere, and their beneficial results will prove their recommendation. They are the medicine of the poor man and those who wish to r's bills will do well in giving them a trial.

Some people appreciate beautiful things, but most people merely care for ornaments.
