COMPANION PICTURES.

Another handsome reminder of the continued enterprise of THE YOUTH'S COMPANION, the favorite family paper, has come to us in the form of a Colored Announcement Card, printed in fourteen colors. It is folded in the centre, and has on either cover companion pictures.

Spring is represented by a beautiful maiden who is returning through the fields, her hands filled with trailing arbutus—that delicate spring flower which grows so plentifully in many localities. On the companion page, the farmer's daughter is pictured coming through the harvested grain, carrying a well-filled pitcher and basket. The bearer of the noon-day lunch is a welcome sight to the hungry reapers. The interior of the card contains an array of authors and articles for the coming volume unsurpassed by any paper.

This beautiful Card is only an indication of the great enterprise of THE COMPANION which has made it a National Family Paper, with more than 430,000 subscribers. Nowhere can there be obtained so much entertainment and instruction for so little money. (Only \$1.75 a year).

If you subscribe now you will receive the paper free to Jan. 1, 1890, and for a full year from that date. The publishers offer to send specimen copies and this Colored Announcement Card free. Address THE YOUTH'S COMPANION, Boston, Mass.
