

Less Labor---Less Waste More Profits!

For forty years we have been doing our best to render Farmers and Dairymen practical help in reducing labor, eliminating waste and increasing their farm profits. Our ideas have found concrete expression in the already well-known

LOUDEN Barn and Stable Equipments

The Louden line of equipments is designed with the special object of putting farming on a scientific basis. The employment of these devices takes the backache out of farming, saves hours of time and makes pleasant

what may now be dreary drudgery. Study it all for yourself in our catalogue "Everything for the Barn." Let us send you a copy. It will give point and interest to your studies, and is invaluable as a text book.

You will find Louden Equipments prominent in the Barns and Stables of the O. A. C.
