STEAMED TO DEATH!

What a shocking fate! And yet far more deaths take place through the effects of steam than most people imagine. It is a common thing to hear of

WOMEN DYING

in consequence of contracting sudden chills brought on while hanging out the clothes, after bending over a steaming wash-tub. Now all this danger is done away with where "SUNLIGHT" Soap is used according to directions; and

BY HUNDREDS

of users of this Soap testimony can be produced that the clothes washed by "Sunlight" are done more easily, made whiter, smell sweeter, and leave the hands in a softer condition than by using any

of Each Soap.
