CHICAGO MARKET.

CHICAGO MARKET STRONG—GOOD ADVANCE SCORED IN WHEAT—CORN, OATS AND PROVISIONS FIRM IN SYMPATHY.

Chicago, June 15.

Notwithstanding free predictions for fair and warm weather throughout the spring and winter wheat belts, the market for wheat was a full half-cent higher at the opening this morning.

This was partly owing to a strong opening in Liverpool, a strength which was sustained to the close.

The trade here, however, was light at first, traders being mixed as to the situation. Bradstreet gives an increase in the World's Visible of 630,000 bushels.

Cash demand seems rather dull, and the seaboard reports only a moderate business done for export. Car receipts here to-day are 540, against 625 last year and 126 the year before.

All advices show that no damage has been done to wheat crop yet.

A good deal of wheat was offering around 76½ for July during the first hour, but it seemed to be well taken. As the day advanced prices took a firmer and firmer tone and at the close practically the highest figures for the day were reached.

It was clearly evident that in the last hour the best class of buyers were taking hold.

Late cables showed Paris and Antwerp unchanged.

Seaboard clearances—366,000 bushels; primary receipts, 786,000, against 862,000 bushels last week.

Corn was firm in sympathy with wheat, and higher figures were scored in all the options. Jim Patten bought 200,000 July corn from Pringle near the close. Cash demand was good for corn. Wet weather seems to have caused deterioration.

Oats and Provisions steady.
