Lecture Hall of the Western College.

President, D. J. Leech, M.D., Manchester.

Discussions on the treatment of Insomnia, the treatment of syphilis and diuretics will be held on September 1st, 2nd and 3rd respectively.

1. The treatment of Insomnia will be opened by Dr. C. K. Clarke, physician to the Rockwood Hospital, Kingston, on general treatment; by Dr. R. W. Wilcox, Professor of medicine and therapeutics in the New York Post-Graduate school on the value of individual drugs, with special reference to the newer hypnotics; by Dr. A. McPhedran, on the ill effects and contraindications to the use of drugs; and by Dr. R. Ferguson, lecturer on therapeutics in the Western University, on the mode of action of hypnotics.

2. The treatment of syphilis will be opened by Dr. Whitla, Belfast. The introducer will deal with questions under the following heads: (a) How mercury and iodides are supposed to act in syphilis; (b) when should mercurial treatment be started, especially should it be
