A Time-Tried Investment

This is not only one of the largest and strongest, but also one of the oldest of the Canadian financial institutions. It has a record of more than half a century of steadily increasing success, stability and strength. In this time an experience has been gained which entitles its Directors and Officers to be considered experts in the selection of choice, safe securities for the investment of its funds.

Its Capital, fully paid, and Surplus exceed NINE AND ONE QUARTER MILLION DOLLARS.

Its record, experience and strength constitute it an unusually safe Depository for Savings, and its Debentures have long held a very high place in the estimation of those conservative, cautious investors, both in Great Britain and Canada, who prefer absolute safety to a high rate of interest. In Canada they are a LEGAL INVESTMENT FOR TRUST FUNDS, and are accepted by the Canadian Government as the Deposit required to be made by Insurance Companies, etc.

We shall be glad to send you a specimen Debenture, a copy of our last Annual Report, and full particulars, on receipt of your address. Write for them to-day.
