## CALLAHAN'S

# UNIVERSAL ROLLER COMPOSITION

This Celebrated Composition is extensively used for every variety of work, by first-class Printing Houses throughout the Dominion.

#### SOME OF ITS MERITS ARE:-

1st,-It does not become hard in cold or severely frosty weather; nor SOFT in heated rooms. IT DOES NOT SHRINK; so that Rollers set at the beginning of the day's work do not require re-setting.

2nd.—IT RETAINS ITS SUCTION. It does not skin over or erack on the face. ROLLERS need not be WASHED more than once a week.

—The Composition can be re-cast from time to time by adding one pint of good syrup to five pounds of Composition. It thereby becomes equal to new.
