STAMMERING CERTIFICATE.

We, the undersigned residents of North Sydney and vicinity, in Cape Breton, having known Miss Lawlor when afflicted with, and sometimes pained to witness her struggling with the impediment (stammering), have now much pleasure in testifying, through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her thoughts with a freedom of speech at once free, deliberate, and apparently, without effort. We learn from her that she attended, last December, the Stammering Institute of Halifax, in charge of Mr. H. B. Mackintosh, he having been empowered to use the method first known to, and practiced by, Professor Butherford, of London, Ontario. We heartily recommend those similarly affected as Miss Lawlor to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young.

EAGAR'S PHOSPHOLEINE.

OR Cod Liver Oil Cream with Hypophosphites.

FOR THE CURE OF Consumption, Paralysis Bronchitis, Asthma, Dyspepsia, Scrofula, Salt Rheum and other Skin and Blood Diseases, Rickets, Anemia, Loss of Flesh, Wasting both in Adults Child, Nervous Prostration.

Invaluable as a Tonic to brace up the system when it is in that state known as BELOW PAIR brought on by Mental Anxiety, Over Brain Work, Overnouring of Mothers and other Excesses which if not relieved end in DIPHTHERIA, LOW FORM OF FEVER, CONSUMPTION &c., &c.

PERFECT PLEASANT PURE COMBINATION. TO THE TASTE. INGREDIENTS.

Many persons who have not used Eggar's Cream confound it with the many Emulsions which are freely offered for sale. To such Mr. Eggar begs to say that EAGAR'S CREAM is ENTIRELY DIFFERENT FROM ANY PREPARATION on the market, and, unlike the ordinary combinations of Cod Liver Oil, it produces NO ERUCTION nor sense of nausea after taking; in fact, Patients find it so pleasant and effective that they like the taste, and look for it even after they are well.

As a proof of its being different from other preparations, it has EFFECTED CURES AFTER OTHERS HAVE FAILED. For one of the many such cures see certificate of Mr. Archibald below.

In order to avoid having this Cream classed with Emulsions, Mr. Eggar will in future call this Cream PHOSPHOLEINE.

Below are the names of LEADING MEN IN THE PROFESSION who have tried Eggar's Cream; and if you are not satisfied that it is the BEST MEDICINE IN USE for Wasting Diseases go and ask any of them.

- Hon. W. J. ALMON, M.D., Senator. W. B. SLAYTER, M.D., F.O.S.L., L.R.C.P., Eng. Consult. Phy. Prov. and City Hospital. Lecturer on Diseases of Women and Children, Halifax Medical College. R. S. BLACK, M.D., 49 Granville Street. ARCHD. LAWSON, M.D., Prof. Surg., Halifax Medical College. T. R. ALMON, M.D., Phys. and Surg. to Poor's Asylum; Phys. to Infants' Home. ARTHUR MORLEN, M.D., M.R.C.S., Edin., City Medical Officer, Surg. Police and City Prison, Phys. Deaf and Dumb Institution; Licen. Med. Fac., Edin. W. N. WICKWIRE, M.D., Inspecting Physician, Port of Halifax. R. ADLINGTON, M.D., Edinburgh, M. R. C. Surg., England, Mem. Col. Phy. and Surg., Ontario, etc. C. A. TEFFT, M.D., Toronto Health Institute. E. O'REILLY, M.D., C.M., General Superintendent Toronto General Hospital.

The following certificates are from gentlemen who have learned the exact state of their case from the physicians who attended them during their illness, and know beyond a doubt that they were cured by the joint efforts of a carefully directed dietary treatment and Eggar's Cream as medicine—their certificates are therefore valuable. Attention is particularly called to the case of Mr. Harrington. His physician says that the case was an UNMISTAKABLE CASE OF TUBERCULOUS DEGENERATION OF THE LUNG OR INCIPIENT CONSUMPTION, and that his is one of the FEW CASES THAT HAS EVER BEEN CURED.

In Mr. Dimock's case, the physician who attended says the patient was very delicate; the certificate is bona fide. Read the certificates and letters of Dr. E. A. Tefft, of the Medical Therapeutic Institute of Toronto, and both the statements contained therein and the quantity used will prove conclusively the value of Eggar's Cream or Phospholeine.

Read the certificate of Dr. O'Reilly, of that celebrated and extensive institution, the TORONTO GENERAL HOSPITAL, where EAGAR'S CREAM was tested in wasting and other diseases during a period extending over five months, and after such evidence in its favor the most sceptical will be satisfied that EAGAR'S CREAM is superior to all in the cases for which it is recommended.

ASHDALE, HANTS CO., Nov. 12th, 1880.

MR. M. F. EGGAR, Halifax, N. S. DEAR SIR,—Last winter my son, aged six years, caught the whooping cough. The disease settled on his lungs, and for sometime we almost despaired of his life. Our doctor advised me to give him your Cod Liver Oil Cream with Hypophosphites, and under its use he completely recovered.

Yours truly, LEWIS DIMOCK.

DEAR SIR,—Last summer I was troubled with a cough, and, my physician says, unmistakable symptoms of Consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Cod Liver Oil Cream with Hypophosphites, and I am happy to be able to inform you that it has produced a complete cure, and have regained from 120 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least.

I am, dear sir, yours faithfully, E. R. HARRINGTON.

HALIFAX, May 11th 1880.

Mrs. CHIPMAN, Willow Park, Halifax, begs to add her testimony in favor of Eggar's Cod Liver Oil Cream. Having suffered from an affection of the lungs for several years past, together with most distressing attacks of Phthisis, and having tried almost every known remedy, many of which more or less relieved the cough and depression, was last autumn recommended to try Eggar's Cod Liver Oil Cream, which she did, with immediate, and singular, and beneficial results.

It reduced the cough, relieved the distress and depression, improved the appetite, and increased flesh and strength. Mrs. Chipman considers Eggar's Cod Liver Oil Cream an invaluable medicine, and would recommend all persons suffering from weak lungs or Phthisis to try its use, for it has the same effect upon others as it is having upon her. There is no estimate to its advantages upon the health and spirits of the patient.

Cow Bay, Nov. 28th, 1880.

MR. F. EGGAR, Esq., Halifax. DEAR SIR,—During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lung. For the next two years I used many preparations, including your Emulsion, your Compound Emulsion, and also Churchill's Compound Syrup, from neither of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream, I gave it a trial, and am happy to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly afflicted, being convinced that the ingredients contained in your Cream are what is necessary for rebuilding of either weak or diseased lung.

Yours, gratefully, ISAAC ARCHIBALD.

MEDICAL ELECTRO-THERAPEUTIC INSTITUTE (Cor. Jarvis and Gerrard Sts.), Toronto, Ontario, October 27th, 1880.

MR. M. F. EGGAR, Halifax, N. S. DEAR SIR,—It is with pleasure that I can recommend your Cod Liver Oil Cream with Hypophosphites. In every case it has met my expectations, and is the best preparation of the kind that I have ever used: some of my patients come to like the taste, and none call it unpleasant, which is very greatly in its favor. Enclosed please find Post Office Order for \$30.65, to balance my account to date, and oblige me by sending another gross.

Yours very truly (Signed) F. A. TEFFT, M.D.

HEALTH INSTITUTE, 271 Jarvis St., Toronto, 16th December, 1880.

MR. M. F. EGGAR. DEAR SIR,—Enclosed find P. O. Order for amount due for last gross of your Cod Liver Cream: it was received a month after being shipped by you. I find it all and EVEN MORE THAN YOU RECOMMEND IT TO BE.

E. A. TEFFT, M.D. HEALTH INSTITUTE, 271 Jarvis St., Toronto, 21st December, 1880.

MR. M. F. EGGAR. DEAR SIR,—Nearly out of your Cod Liver Cream. Please send another gross as soon as possible.

E. A. TEFFT, M.D. TORONTO GENERAL HOSPITAL, Established 1820. Incorporated by Act of Parliament.

MR. F. EGGAR, Esq., Halifax, N. S. DEAR SIR,—I am very highly pleased with the action of your Cod Liver Oil Cream with Hypophosphites. It has been used in this Hospital in Pulmonary and other Wasting Diseases with success, and being so palatable, is a splendid substitute for the Crude Cod Liver Oil. Will you kindly let me know the lowest wholesale rate for a quantity for hospital use?

(Signed) Yours truly, C. O'REILLY, M.D., C.M. General Superintendent.

Toronto, Nov. 30, 1880.

The following are a few of the many hundreds who have derived great relief from the use of EAGAR'S PHOSPHOLEINE, and whose certificates can be seen at Mr. Eggar's store. E. C. NEWBURY, S. H. SUGART, JOHN LEE, ALEX. S. BAYES, ALEX. MCKAY, JOHN PALMER, JOHN REARDON, JAMES JACKSON.

One bottle Eggar's Cream will accomplish more than one dozen bottles of Oil in Wasting Diseases, and patients find the benefit on taking the first dose. Some of these Physicians who have given testimonials in former years in favor of other preparations have since been convinced that there is NOTHING EQUAL TO EAGAR'S CREAM, and consider it the BEST and CHEAPEST at any price, on account of its effecting its cures promptly and unflinchingly; its pleasant taste and agreeing with the most delicate stomachs.

If you cannot procure Eggar's Cod Liver Oil Cream from the shops in which you deal, send to Mr. Eggar, 147 Hollis Street, Halifax, enclosing the price, and he will forward to your address. Mr. Eggar will send six bottles to any part of Nova Scotia; free of all Express charges, on receipt of price. Don't allow others to induce you to take other preparations on which they may make a large profit, but insist in getting EAGAR'S PHOSPHOLEINE or CREAM.
