Popular Story of The Church of England.

Showing its Birth, its Progress and its Work for the People,
 with illustrations.

Price Six pence, or Bound in Cloth, One Shilling.

The large demand for this "Story" has necessitated the issue of a NEW EDITION. The
 book has been revised, and the statistics made up to the moment of going to press. In order
 to make its pages yet more attractive, some excellent views of Cathedrals and Churches have
 been added, and those who have not yet done so may be glad to distribute it as an antidote to
 the anti-Church literature which is now being so largely circulated in all parts of the King-
 dom, in view of the coming attack upon our Church. Nearly all the Bishops have signified
 their warm approval of the "Story." The late Archbishop Magee commended it in these
 words: "It gives in a condensed and popular form one of the best statements of the past
 history and present work of the Church with which I am acquainted. It seems to me espe-
 cially suited for distribution amongst our intelligent working classes, who need just such a
 corrective to the false and misleading statements now so industriously circulated amongst
 them by the enemies of our Church."

Favorably Reviewed by nearly one hundred newspapers.

Just Ready. Second Edition. On Antique Paper, Uncut Leaves.

The Guardian says: "A valuable armoury of defensive weapons, a *rate mecum* for
 speakers on the Church in Wales, a magazine of materials for all who desire to oppose facts
 and figures to Liberationist fallacies and fictions. A store-house of accurate
 information on one of the most burning questions of the day."
