ted), can be obtained at their rooms as above. Send  
for it.

### THE HIGH SCHOOL Drawing Course.

- Authorized by the Minister of Education.
- The course is now complete:—
- No. 1—Freehand.
  - No. 2—Practical Geometry.
  - No. 3—Linear Perspective.
  - No. 4—Object Drawing.
  - No. 5—Industrial Design.

These books are all uniform in size and style, and  
constitute a complete uniform series. The same plan  
is followed through them all—the Text, the Prob-  
lems, and opposite the Problems, in each case, the  
Exercises based upon them. The illustration it  
upon the same page with its own matter, and wish  
the exercise, in every case, is a space for the student's  
work. Each copy, therefore, is a complete Text-  
book on its subject, and a Drawing Book as well, the  
paper on which the books are printed being first-  
class drawing paper. The student using these books,  
therefore, is not obliged to purchase and take care of  
a drawing book also. Moreover, Nos. 1, 4 and 5 are  
the only books on their subjects authorized by the  
Department. Therefore, if the student buys the full  
series, he will have a uniform, and not a mixed  
series covering the whole subjects of the examina-  
tions, and edited by Mr. Arthur J. Reading, one of  
the best authorities in these subjects in this country,  
and recently Master in the School of Art.

Price, Only 15 Cents a Book.  
The Retail Trade may place their orders with  
their Toronto Wholesale Dealers.
